AMERICAN CAR DRIVEN BY MILTON WINS RACE

INDIANAPOLIS, Ind., May 31.—(A. P.)—Tommy Milton, world champion speed racer, yesterday piloted an American car to the finish line first in the ninth renewal of the international racing classic, the 500-mile dash around the Indianapolis speedway.

His victory came through a beautifully driven race which was won after Ralph DePalma, popular favorite had set such a terrific pace during the first 250 miles that all but one of the foreign-made cars, including his own, were forced from the track through mechanical troubles or minor accidents.

Boy Scouts recently governed the city of Chicago for one hour, every city official being replaced by a scout. The arrangement was made as part of a membership financial campaign for the scouts.

Long Distance Service To the Coast

The summer season at Oregon coast resorts will soon be here. It will soon be time to move the family to the cottage on the ocean-beach. Long-distance lines of the Pacific Telephone and Telegraph Company reach all coast points—Seaside, Gearhart, Long Beach, Seaview, Cannon Beach, Newport, Tillamook, Rockaway Beach.

Why not reserve your cottage by long-distance—make your arrangements for the summer season by using Pacific Long Distance service. It will save you a trip to the beach and will be quicker and just as satisfactory.

Then plan to keep in touch with the family during the summer season by telephone. It is better than writing a letter and more satisfactory. Every effort is made to expedite calls by day or night. You will find the service quick, efficient and courteous.
