

News Notes of Pendleton

CALENDAR OF EVENTS
 Six-club golf tournament to be played here Saturday and Sunday May 28-29.
 May 31, June 1 and 2—State convention of Oregon Federation of Women's clubs.
 June 3 and 4—Twenty-ninth Annual Pioneer Picnic.
 June 14, 15, 16—State convention of the G. A. R.
 June 27-August 5—Summer School.
 July 10 to 14—Ellison-White Chautauquus.
 September 22, 23, 24—Annual Pendleton Round-Up.

Three Names Suggested.
 So far three names have been suggested for Cabbage Hill. They are Hillcrest, which at present seems to be leading in popularity, Pioneer Crest and Sunset Hill.

Seeks Building Permit.
 An application for a building permit was made today by Thomas J. Loftus at the office of the city recorder for a new porch. The improvement is for his residence on Alta street, and the estimated cost is \$200.

Three Receive Fines.
 T. H. Whitted received a fine of \$25 yesterday afternoon when his case came before Judge Thomas Fitz Gerald for hearing. The charge was disorderly conduct. H. J. Knutson was fined for failing the right of way, and Charles Milne received a fine of \$1 for parking incorrectly.

Elect Officers.
 At the meeting of the Odd Fellows last night officers were elected as follows: John Gault, Noble Grand, and Dr. H. B. Brundage, Vice Noble Grand. The first degree was conferred on Nelse Brenholm and Fred

W. Haman. A reception for the grand lodge officials will be held this evening. O. F. Steel is retiring noble grand.

Marriage License.
 A license to marry has been issued to William Henry Schann and Louise Schultz, both of Pendleton.

Exhibit Is Shown.
 An exhibit of the art work of the first seven grades of Hawthorne school is shown today at Alexander's. The work, which is excellent, shows wild and garden flowers in natural tints and groupings.

Leave For Portland.
 Dr. David B. Hill left today for Portland where he will act on the State Board of Dental Examiners. He will return June 19. Mrs. Hill who accompanied him will remain in Portland for a three weeks' visit.

Portland Woman Talks.
 Mrs. Harriet M. Brown of Portland was here today and she made a talk before the real estate men of Pendleton at a special meeting held this afternoon at 2:30 o'clock at the rooms of the Commercial Association. Advertising problems in connection with the national convention of realty dealers to be held in Chicago during July were considered.

Officers Get Sell.
 A man whose name could not be given at the sheriff's office was arrested last night below Nollin by Deputy Sheriff Ridgway and Lyday and Special Agent Bob Smead on a charge of operating a still for the manufacture of moonshine. A copper still and a small quantity of whiskey were secured by the officers.

Blasting Causes Trouble.
 The blasting done by the state highway department in the region of Havana is given by Dr. F. W. Vincent, manager of the Pacific Power & Light Co., as the reason for the cessation of electric power for four hours yesterday afternoon. Dr. Vincent states that the blasting destroyed three mains and will cost over \$400 to repair.

May Speak Here.
 J. R. Hermann of Portland, manager for the "Single Tax League of Oregon" is making a tour of the U. S. lecturing on Single Tax and the Oregon movement. Banquets were given in his honor at Pittsburg, Cleveland and New York by civic, commercial and labor organizations. Mr. Hermann plans to stop in Pendleton on his return trip and will likely lecture here in the near future.

Luncheon For Friday.
 Postponement for one day from the usual time for the holding of the weekly luncheon of the Commercial Association has been taken this week in order to secure the services of Dr. W. T. McElveen, pastor of the First Congregationalist church of Portland. The luncheon will be held Friday at 12 o'clock sharp instead of Thursday. The Jolly Inn will be the place, and reservations should be made at the office of the Commercial Association.

Farm House Burns.
 The big house on the ranch of Fred Rhode, six miles north of Pendleton, was burned to the ground yesterday afternoon. The fire is thought to have been caused by a defective chimney. Vain efforts to save the place were made by two of the men working for Mr. Rhode's son who occupies the house, but the fire got beyond their control. The place was valued at between \$5,000 and \$6,000 with insurance of \$1,800.

Helix Drubs Methodists.
 A real "feed", a peck of fun, and an unmerciful drubbing were three things that the Methodist baseball team from Pendleton secured yesterday afternoon when they made a trip out to the neighboring town. The final score was approximately 19 to 9, but a few more or less would not be disputed by the Methodists. They are sure that they did not get a single tally. Following the game a feed that suited both victor and vanquished was served by the Helix people. Many errors on the part of the Pendleton players helped materially in the big score the Helix Swatters got.

Convention In Session.
 A convention of county librarians is in session at the county library, with Miss Cornelia Marvin, state librarian, presiding. Present at the convention, besides Miss Marvin, are Miss Mary Nichols of La Grande, Union county librarian, Miss Flora Carr of The Dalles, Wasco county librarian, Miss Eltnor Randall, of Ontario, Malheur county librarian, Miss Sabra Naeson of Pendleton, Umatilla county librarian and her assistants, Miss Freda Glover and Miss Helen Clarke, and Miss Marguerite Entler of Baker, city librarian. Miss Entler is here to gain information regarding county systems as Baker county is contemplating one.

WE announce the completion tomorrow of one of the most modern ice plants in the West designed to manufacture absolutely pure ice.

We also announce the completion of the new home of the Golden West Creamery which is equipped with the latest type of machinery enabling us to manufacture the highest quality Golden West Butter and Ice Cream under perfect conditions of sanitation and cleanliness.

You are cordially invited to inspect the plant at any time while in operation so that you may see for yourself.

Owing to the rebuilding of these plants during the past two months, caused by fire, we were unable to give the public the high-grade service which we are now able to give. We hope to redouble our efforts along this line. We appreciate the patience and good will of our many customers.

You are cordially Invited to our housewarming tomorrow evening

And inspect both our plants while in operation.
