Steady To Lower Trend of Livestock (From the Oregon Journal) Nine cars of livestock came to North Portland Thursday and a small stock went direct to outside killers. Generally speaking livestock trade conditions were about steady.

Feeder pigs were of about 25c in the North Portland allays during the Thursday trade, with a \$3.25 top for offerings. Feeders have recently been bringing a quarter more than extreme quality in the killer division. Aside from this there was no change in the hog market situation at North Portland for the day. Receipts were limited and demand was considered about steady.

Wine Grapes Will Be Higher This Year SAN FRANCISCO, June 3.—(A. P.)—Opening prices for California wine grapes \$5 a ton higher than last year except for those with high colored juice, on which the advance was \$29 a ton, were announced today by the California Grape Growers exchange, a co-operative marketing organization of vineyardists.

The exchange estimated the crop at 275,000 tons, worth approximately \$26,000,000. Increased demand for wine grapes for grape juice, grape syrup, sacramental and medical purposes and a decrease in the crop resulting from frost damage caused the increase, according to the exchange.

Public Debt Is Reduced During May WASHINGTON, June 3.—(A. P.)—A reduction of \$42,823,184 in the public debt during May was announced today by the treasury. On April 30, the

total gross debt stood at \$23,995,564,776 as compared with \$23,952,741,592 May 31. Redemption of treasury certificates of indebtedness was mainly responsible for the reduction, treasury officials explained.

During the 11 months of the present fiscal year, the treasury said, public debt disbursements aggregated \$7,574,000,000 compared with \$7,234,000,000 during the corresponding months last year, leaving a net reduction in the public debt for the fiscal year to date of \$342,000,000.

The report of the government's finances for May showed ordinary receipts aggregating \$224,000,000, which was \$113,000,000 less than ordinary disbursements. This compared with ordinary disbursements of \$253,000,000 in May a year ago. For the seven months ordinary receipts were \$4,475,000,000 which was \$229,000,000 in excess of ordinary disbursements. Ordinary receipts during the corresponding period last year were \$5,329,000,000.

Export Demand Lends Strength to Wheat

CHICAGO, June 3.—(A. P.)—Big export business and bullish crop estimates lifted wheat yesterday to a new high price record for the season. Closing quotations were nervous, at 3 1/4 to 3 3/4 cents net advance, July 1-4 to 1-2 to 1-4 to 3-4. Corn gained 1-4 to 1-2 cents. Oats lost 1-8 to 1-4 cents, and provisions finished unchanged to 20 cents higher.

Seaboard interests were heavy buyers in wheat, and it was said that as much as 2,500,000 bushels had been worked for export. Moreover, a statement from a leading authority indicated a yield of only 258,000,000 bushels in six states as against 345,000,000 bushels suggested by the government May returns.

The topmost point reached yesterday by July 1-4 1-2, showed an advance of about forty cents since April. Corn derived its firmness from wheat and from word that Holland had bought 500,000 bushels. Better crop reports tended to ease the oats market. Provisions rallied with wheat and corn after being depressed earlier by announcement of a huge increase of stock of lard here.

Depression continues On the Stock Market

NEW YORK, June 3.—(A. P.)—An eight per cent rate for call loans further price revisions, and another low record of 86 for Liberty 3 1-2s, bonds contributed to yesterday's reactionary stock market.

Some speculative favorites, notably oils, and specialties of the tobacco and leather types, were intermittently active and strong. In general, however, representative stocks again reflected unsettled business conditions and lack of public support. Sales 585,000 shares.

Call money opened at 7 per cent, rose to 7 1/2 in the first half of the session, and touched 9 in the last hour, when market prices were most confusing.

Only once before this year, February 3, when demand loans rose to 9 per cent, was yesterday's money rate exceeded. Borrowers of time funds bid seven per cent for all dates, but only small sums were available. Banks attributed the increasing scarcity to large capital flotations, government withdrawals, and reduction of local reserves by interior banks.

Factors bearing on market value included a cut in Pittsburg prices of wire products and concessions in refined sugars. Columbia Graphophone preferred was added to the steadily increasing list of stocks deferring dividends.

Exchange on London forfeited most of its recent rally and all continent rates fell 5 to 30 points. Dutch bills again sustaining the greatest reversal. Liberty 3 1-2s recovered most of their loss but the trend of that group as a whole was downward.

Other domestic, as well as international issues, were responsive in varying degree to the money flurry. Total sales, par value \$19,775,000.

Tough Luck for Maude and Doc. We read in the Adams correspondence news for the E. O. that: Sam Wyrick, who is working for Mr. Schrimp, was kicked by a mule last evening. He lost eight teeth, cut his lip so that the doctor had to take five stitches in it and received a broken and dislocated jaw bone.

NOLIN CITIZENS VISIT IN ROUND UP TOWN

(East Oregonian Special.) NOLIN, June 3.—A very interesting program was given last night by the Women's Missionary Association. A very interesting play was the main feature of the program. A dainty luncheon was served later. Those who were on the serving list were Mrs. Chas. Wells, Mrs. Joe Fisher, Mrs. D. W. Davis, Mrs. Joe Zacharias. Among those who visited at the Round-Up City today were Oscar Johnson, Dan Arkell, Ed Branson. E. J. Burke, well known wool buyer, was a Nolin business visitor today.

Chamberlain's Colic and Diarrhoea Remedy. Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now.

Why Suffer from Rheumatism? Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

The Home of the Soul. In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

Recommend Chamberlain's Tablets. Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Fryeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.
