return series with the visitors at Walla Walla either at the latter part of this season or at the beginning of next year.

**Garage Being Built**  
Work has begun on the new Bunch Brothers garage at Adams. The structure, to rise on Main street, replaces the old garage which burned down recently. C. A. Swanson, of this city, has the contract for the new building.

**Miss Nelson Elected**  
Miss Helen Nelson, daughter of Mr. and Mrs. David E. Nelson of this city, was elected president of the senior class of the University of Oregon at the recent election. Miss Nelson defeated two varsity letter men and her election was a victory for the women of the senior class. She won the Lantern cup when a student at the Pendleton high school, and has won her letter in swimming. Miss Nelson is a member of Gamma Phi Beta sorority.

**Will Attend Elks Program**  
Through an understanding reached yesterday afternoon and approved today by wire by the G. A. R. adjutant the reception for the G. A. R. Tuesday evening will be held in conjunction

with the Elks Flag Day Program. The program will be held in the Elks lodge room and special chairs will be provided for a large attendance and the elevator will be operated for the visitors. At the outset of the program the G. A. R. will be officially welcomed to the city and then the Elks program will be given, concluding with an address on Americanism by Col. Charles W. Forlong.

**Fined for Speeding**  
"Miss Neagle" is the entry that was made this morning on the docket of the city police court when a fine of \$5 was given the young woman for exceeding the speed limit. The fine was paid.

**Bishop Leaves For Rome**  
Of interest to the friends of Bishop Joseph McGrath, bishop of the Catholic diocese of Eastern Oregon of which Pendleton is a part, is the news that he has sailed for Rome. Bishop McGrath will remain abroad until fall.

**Fred Bennion in Union**  
Fred Bennion, county agriculture agent, left last evening for Union where he will attend the annual Union Stock Show. He will leave tomorrow for Corvallis to spend a week during Farmers' Week.

**Kills Third Bear**  
Gus Peret, sportsman who is well known here and who is now in Alaska, has killed his third Alaskan brown bear, according to word received here today by Bob Saunders. Peret sent a picture of the bear, which weighs at least 1,000 pounds.

**Frank Savage Dies**  
Frank Savage, aged 54, died last night at the State Hospital. He was committed five years ago, from Vale, Oregon, and leaves no relatives. Funeral services were held this morning from the Folsom chapel under the auspices of St. Mary's Catholic church.

**Band Concert Pleases**  
The first concert of the summer, given last night by the Pendleton band at Pioneer Park, was well attended, and the large crowd showed appreciation of the numbers that were played by the organization. The concert was made possible by the action of the Commercial Association. The next offering will be in July.

**Mrs. Van Dusen Departs**  
Mrs. Edith G. Van Dusen, home demonstration agent, left last night for Corvallis where she will attend Home Makers' Week. The week's program, which is under the auspices of the Oregon Agricultural College, has many interesting features and there will be addresses by speakers of national repute.

**Accept Shipments Free**  
Information has been received here by T. P. O'Brien, agent for the G. W. R. & N., that the company will accept without charge shipments of any kind for the relief of flood-stricken Pueblo. The only restriction attached to the offer, Mr. O'Brien states, is that shipments be directed either to the Red Cross or to the mayor of Pueblo.

**Finish Examinations**  
Pupils of the Pendleton schools of the eighth grades are busy since yesterday in taking the examinations that are required for graduation from the lower grades. The majority of the county students took the tests two weeks ago, but due to the fact that the city schools were still in session, only a few of Pendleton boys and girls tried. The tests will be completed this afternoon.

**The Sparkling Red Ones**  
Sixteen pretty rainbows, the pick of a limit catch made by Charles Moore and Sol Baum, were on display this morning in the window of Baum's sporting goods store. The catch was made yesterday on the river near Bingham springs, and the sport was good, the men report. With the lowering of the water in the streams, many anglers are having greater success than prevailed a fortnight ago.

**Letter from Shibata**  
A letter of appreciation for the help given him by the Salvation Army was received today from Shozo Shibata, recently convicted here of first degree murder and sentenced to life imprisonment at the state penitentiary in Salem. The letter, addressed to Captain Jennie Conrad, says that Shibata repents of his deed and that he attributes the murder to drink, saying that he was drunk when he committed the crime.

**Improvements Are Made**  
Improvements are being made at The Delta by E. R. Bashor, the new proprietor. The balcony is being remodeled and will in future be used to accommodate gatherings for luncheon or dinner. The next Rotary Club luncheon is to be held at The Delta on Wednesday as the Elks' Club, the regular meeting place of Rotarians, will be in use during the G. A. R. convention.

**Kettle Boils For Pueblo**  
The first steps toward collecting money in this city to aid the people of stricken Pueblo, Colorado, will be made tomorrow when the Salvation Army will place a kettle on Main street with the request that Pendleton people "keep the pot boiling" for the benefit of the food sufferers. The Salvation Army, was the first agency to do relief work in Pueblo, says Captain Jennie Conrad, of the local post. The collections made tomorrow and at the Salvation Army hall on Sunday will be sent to Colorado to aid in the work.

**Caught The Limit**  
Dick Rice, Ad Huey, Dick Hanley and Marney Styson returned this morning from East Lake where they have been since Monday on a fishing trip and vacation. They brought back the limit imposed by law, and incidentally they secured good healthy coats of tan. The nights are still cold in the high altitude, they report. There is a possibility that the Pendleton Buckaroos will be honored with a fish feed as a result of the catch. Hanley, Huey and Styson are members of the team, and Marshall Spell thinks there

**WHEELER SAYS BIG BOOTLEGGING TRUSTS OPERATE IN CITIES**

WASHINGTON, June 10.—(U. P.)—Big bootlegging trusts with large financial backing exist in several cities, Wayne Wheeler, counsel of the anti saloon league, charged in his testimony to the house rules committee. "These trusts, with several big financial men interested, constitute the Fifty Against Two. It is not reasonable to expect two weeks of outing to overcome the effects of fifty weeks of confinement. Take Hood's Sarsaparilla along with you. It refreshes the blood, improves the appetite, makes sleep easy and restful.

greatest menace to prohibition enforcement. The main purpose is to break down the Volstead law," he said. Wheeler did not mention the names of the cities, or alleged heads of the trusts.
