Chamberlain's Colic and Diarrhoea Remedy.

Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now.

Why Suffer from Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

The Home of the Soul

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

Recommends Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Freeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

Forest Ranger George Bruce left Tuesday for Duncun where in company with Ranger George Clisby they will leave for Mt. Emily where they will do government work for a couple of weeks.

Mrs. Mae Mills, second trick operator here, was a Pendleton visitor Wednesday.

RUMANIAN KING AND QUEEN ARE TO BE CROWNED SEPT. 24

It is Expected That Soon After Coronation Royal Couple Will Make Visit to America.

ALBA JULIA, Transylvania, June 10.—(A. P.)—King Ferdinand and Queen Marie of Rumania will be crowned here September 24. Plans are now being made for the erection of a church for use in the religious service of the coronation and in memory of the great battles which brought Greater Rumania into being. The church, it is expected, will serve for the crowning of all future kings of Rumania.

On the outskirts of this little Saxon town, where five hundred years ago Michael the Brave, Rumania's George Washington, scored a victory over the Hungarians, a monumental arch, with

reliefs commemorating events in Rumania history, will be erected.

On the coronation day, after a service at the new church, at which all the Rumanian Bishops will be present, the King and Queen, crowned, will proceed to the new triumphal arch, where there will be a great military pageant.

In the afternoon and evening there will be gala entertainments, including a banquet in the hall in which the union of Transylvania with Rumania was proclaimed in December, 1915.

The next day the Sovereigns will arrive in Bucharest and make a triumphal entry into the Rumanian capital. Here also an arch will be erected to commemorate the day for future generations.

King Ferdinand and Queen Marie have occupied the Rumanian throne nearly seven years, having succeeded the late King Carol in October of 1914; but on account of the war they never were formally crowned.

It is expected that soon after the coronation, the King and Queen will visit the United States.

PUEBLO, June 10.—(A. P.)—Pueblo's first flood wedding was performed yesterday by the Rev. E. D. Dagwell in charge of Red Cross relief headquarters. Irving P. Richards and Miss Jessie Woulett, employee of the state hospital for the insane here,

came to the headquarters at the courthouse and said that flood or no flood they wanted to get married. When the groom offered the minister \$5 he refused it, saying:

"There is a military order prohibiting a charge of more than 43c an

hour for services during the flood. As it took only a minute to do this, I can't accept anything."

An order was issued by the military authorities today requiring the signature of Capt. Orville Dennis, Colorado Rangers, to all permits to visit the de-

vastated area or traverse the main thoroughfares between the hours of 7 p. m. and 6 a. m. That signature is required in addition to the signatures of Col. Patrick J. Hamrock, adjutant general, and Lieut. Col. Paul P. Newton, commander of guard troops here.

IT'S not a bit of trouble to have plenty of good things to eat on hand all the time, when you use Calumet Baking Powder. It never allows baking trouble. You don't "dread" to bake. There is nothing to worry about—and that really is the hardest part of it. Mix up a batch of biscuits—or the finest kind of cake—it's all the same. There is never but one result—the sweetest and most palatable of foods. There is not as much worry over baking costs either. Because Calumet costs less—when you buy it the price is moderate.

"—the Kind Mother Uses!"

CALUMET BAKING POWDER

It costs you less when you use it—because you don't use as much of it—it has more than the ordinary leavening strength. You get more out of the flour, sugar, eggs, shortening, etc., because there are no failures—no waste. The most critical of baking powder judges gave it highest awards, World's Pure Food Exposition, Chicago,—Paris Exposition, Paris, France. The largest selling brand in the world. A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Doughnut Recipe
4 cups of pastry flour, 3 level teaspoons Calumet Baking Powder, 1/4 teaspoon of salt, 1 cup of sugar, 2 eggs, beaten together, 2 tablespoons of melted butter, 1 cup of milk. Then mix in the regular way.
