Receives Word From Hoover
 "I have no information that leads me to believe that there will be any reduction in coal rates this season," says a copy of a telegram from Herbert Hoover, secretary of commerce, received here today by E. H. Shea, northwestern representative of the Royal Coal Sales Co. The reply was in response to a query from the coal company. Mr. Shea states that contrary to the usual custom, consumers are not ordering coal early this year as they have been expecting a reduction in price, due to lowered freight rates. Hoover's telegram, Mr. Shea points out, gives no intimation of a reduction. Mr. Shea predicts that it will be hard to get coal this fall as coal should be moving now.

Visit at Frazier Home
 Mrs. Frank Frazier has as her house guests, at her home at 205 Garden Street, her father, W. W. Kirby and her niece, Miss Ethel Chandler of Richmond, Oregon. Mr. Kirby is a veteran of the Civil war and is here to attend the G. A. R. convention.

Leaves for California
 Miss Blanche Hensel, who for the past two years has been instructor in Spanish in the Pendleton High School, left yesterday for California, where she has accepted a position for the coming year. During the summer months Miss Hensel will attend summer school.

Past President Here
 Mrs. Clara T. Lyle, of Omulgee, Oklahoma, formerly of La Grande, is a past department president of the Women's Relief Corps. She is here as the guest of her brother, Charles Tulla. Mrs. Lyle is a member of the Oliver P. Morton Woman's Relief Corps of La Grande. She is a talented musician and has studied abroad. Mrs. Lyle is a member of the Daughters of the American Revolution also, and has attended three continental conventions.

Has Mules He Would Sell
 J. L. Beckley of Klamath Falls has 123 mules he would like to sell to Umatilla county farmers, according to a letter that has been received from him by the Commercial Association. They will range in weight from 950 to 1200 pounds and they are from 3 to 7 years old.

Paper Is Interesting
 A duplicate of a copy of "The Rebel" of the issue of August 9, 1862, at Chattanooga, is a part of an interesting display at the Peoples Warehouse. The copy, and other duplicates, are the property of E. White, of Portland, member of the G. A. R., who while a member of Company C, U. S. Infantry, bargained for the original copy of the paper while on the skirmish line during war days. The paper contains much propaganda for the secessionist states. A small advertisement offers for sale of "trade for boy" a negro woman, "good cook, ironer and washer." Another relic shown is a duplicate of a copy of "The Daily Citizen," published at Vicksburg, Mississippi, 1863. Both of the originals are kept in Portland by Mr. White.

BANDIT IS KILLED IN RUNNING FIGHT
 KANSAS CITY, June 14.—(U. P.)—One bandit was shot and killed and another was captured in a running revolver fight in the heart of the Kansas City business district. One bystander was struck by a stray bullet. Hundreds of persons enroute to lunch dodged the whizzing pellets.
 Joe Clements, the alleged leader of the desperate "daylight" gang, was killed and J. C. Williams was captured. The third member of the gang escaped. A boy told the patrolman that the men had abandoned an automobile in the outskirts of the city, changed hats, and boarded a street car. A patrolman followed them and accosted them as they lighted from the car. They struck the officer and attempted an escape. The officer fired, killing Clements, Williams being captured by another officer. The men are accused of several daylight holdups which have been committed recently.

LOANS ARE PROVIDED FOR WOOL GROWERS
 WASHINGTON, June 14.—Loans arranged for the livestock industry are to be extended to wool growers, it was officially announced at the treasury department. A fund of \$50,000,000 for the purpose is to be subscribed by bankers of the Eastern and Middle Western states. Bankers in New York, Boston and Philadelphia are to subscribe \$25,000,000 of the fund. The money will be deposited in Chicago.

BABY BORN ON PEACE DAY
 After Mother Had Been Restored to Health by Lydia E. Pinkham's Vegetable Compound
 Salisbury, Mass.—"For seven years I had a female trouble and such bearing-down pains I could hardly do my housework. The doctor said, 'If you can have another baby it might be the best thing for you but I am afraid you cannot.' I began taking Lydia E. Pinkham's Vegetable Compound and my baby was born on 'Peace Day'. If women would only take your Vegetable Compound they would have better health. I always recommend your Vegetable Compound to the neighbors."
 Mrs. TRACY PATTEN, 3 Lincoln Ave., Salisbury, Massachusetts.
 The experience of maternity should not be approached without careful physical preparation, as it is impossible for a weak sickly wife to bring healthy children into the world.
 Therefore if a woman is suffering from a displacement, backache, inflammation, ulceration, bearing-down pains, headaches, nervousness or "the blues" she should profit by Mrs. Patten's experience, take Lydia E. Pinkham's Vegetable Compound and be restored to health.
