JOHNSON SEES BIG CHANGE IN WIFE

Declares Tanlac Did His Wife More Good Than Everything Else Combined

"From the good Tanlac has done my wife I don't believe it has an equal," said Carl Johnson, 1215 North Chestnut St., Spokane.

"She had been a sufferer from stomach trouble for quite a spell. Food just wouldn't agree with her and seemed to do her more harm than good. She was intensely nervous, hardly ever got a good night's sleep, had dreadful headaches and was continually taking something for constipation. We tried everything we could think of and even changed climates, but nothing did her any good."

"We had read so much about Tanlac that we decided to try it. I saw a marked improvement after she had finished the first bottle, so she kept on taking it and three bottles have made her a well woman. Her appetite is simply splendid now and everything she eats agrees with her perfectly. Her aches and pains are all gone, she gets around better and takes more interest in things and says she feels better than she has in a long time. We are strong for Tanlac at our house."

Nothing Like Experience

One truth learned by actual experience does more good than ten experiences one hears about. Tell a man that Chamberlain's Colic and Diarrhoea Remedy will cure pain in the stomach and he will most likely forget it before the end of the day. Let him have a severe attack of that disease, feel that he is about to die, use this remedy and learn from his own experience how quickly it gives relief and he will remember it all the rest of his life.

Good Advice to Travelers

Whether going to the mountains or sea shore, taking a journey on business or pleasure, never leave home without a bottle of Chamberlain's Colic and Diarrhoea Remedy. It is worth many times its cost when needed and may save a life.

If Troubled With Indigestion This Will Interest You

"Some months ago when I was troubled with indigestion, I used Chamberlain's Tablets and am only too pleased to give this medicine my endorsement, for it not only cured me of stomach trouble, but invigorated my whole system. I like these tablets better than anything of the nature I have ever used," writes Mrs. Albert Horner, Hainesville, N. Y.

For the Stomach and Liver

"About two years ago I took two bottles of Chamberlain's Tablets for the stomach and liver and can praise this remedy highly for the great good it did me," writes Mrs. Mary Haven, Sandy Creek, N. Y. "I have since recommended this remedy to some of my friends who have also used it with good results." If troubled with indigestion or constipation, Chamberlain's Tablets will do you good.
