NEW RUSSIA HAILS U.S. AS ITS GODFATHER, SAYS FORMER PRIME MINISTER PRINCE G. LVOFF

Exiled Russians Would Return terior of Russia is encouraging. Thinks to Their Country if America ing men everywhere are doing that trans the weakness of the long atmost. In many cases, no doubt, ity feels the weakness of the long their seal is a poor guide for their ef- struggle. We must all put our shoul-Will Advance Them Capital.

By PRINCE G. LVOFF, Former Prime Minister of Russia

(Written Especially for International News Service.) PARIS, June 25,-1 believe that the

distant when we Russians shall see our wast country again at work, helping in will. The friendship and kindly interthe reorganization of the world. Thouse est of America is in literif a great en- ation of a movement started early in

when Russia needs the world.

My message to Americans at the resent moment is to urge them to study Russia to get better acquainted you will learn to love the Russian He has his faults, but he has great virtues attuation in Russia is now rapidly friendship which already exists be-as well. And they are the faults and tween the two peoples, to continue the virtues of a virile race which seeks and sonds of sympathy and faith and good is worthy of your friendship and help

mands of Russians everywhere, sxiles, couragement to us. May that friendas well as those at home, are bending ship continue and grow: all their energies to a single end, with-. Then, when the tim all their energies to a single end, with-out regard for political creed. We all come it will ere long-we shall count reforees who are scattered throughout realize, I think, that at a time as por-tentious as this, all haggling over dif-ferences of politics must cease if we do not vish to obscure our aim. It is a sla will need many things from Am-political thought. Our committee is time when the world needs Russia and erica-it will need great gifts of char-
