WRITES LETTER COMING FIGHT AROUSES

U. P. Staff Correspondent.) - The fight has done more to arouse interest in physical culture than years o propaganda." Gaston Vidal, th rench minister of education, told the inited Press. "The Dempsey-Carpener match is stirring France as no other athletic event ever did. Zhack Demps is as cordially liked as the former crown prince. Occasional ictures arouse the French to frenzy and tear them with hope, doubt and fear. Isolated hamlets throughout Pronce know about the fight and have opinions. I think Carpentier will

POSING AS TOURISTS

(Continued from page 1.)

Everywhere the word is being passed along to tourists to time their traveling so as to miss Pendleton if sable," he said. "When you figure that there have been from 15 to 20 cars hitting here every day for quite chile since I have been here, and tha very car will leave from five to \$10 n the town, you can see that Pendle-on is getting a black eye and losing tot of tourist trade."

Raps Newspapers One of the young men asked him what sort of newspapers Pendleton

"Couple of little bladders," he re-plied, "One of them is fairly good. Here it is, the East Oregonian. It's the leading paper here and has been established for years. I guess, Just small town dailles."

Campers who remain only over night hould be furnished their wood free of harge, he thought, but he made n objection to paying in his own case, The man who declared witho malice that the local park is the wors in three states was one of a party of four men who were gathered in group near a truck which was "hom Another man in the party said that the

amps in Idaho were much better than the ones he had struck in Oregon. Water was easier to get there that it is here," he said, "and a fellow car Diseases of Women. X-Ray Electric Let a good camp site without going is n park,"

Would Rather Pay

Another tourist, he was accompan-rd by his wife and drove a big car and expected to be gone as quickly as pos-sible, declared he would rather pay a slight fee at a park, rather than con

"When a fellow comes to a free park, he usually runs into every kind of men, rich and poor, honest and dis-honest. I'd rather go to the parks

keep the gypsies and thieves nway Better than any kind of a park though a good camping site along the road where there is shade and shelter and Dienty of water. On our way from California we have fought shy of regular camping places as much as possi-

The same opinion was expressed b young man and his wife. Both of ted to remain, according to his report. The open road with shade and water ed by Overbeck & Cooke local brok-ers.

In a better place to camp than in a fourist park, he thought. Nevada is the home of these people

Attendant Is Courteous There is an attendant at the park both night and day. He was the personification of patience and courtesy sonification of patience and courtesy to tradition killed the first man who to the young Astorians who piled him fell in the civil war. The whole road with questions on their arrival.

The population of Pendleton is about 7,000 he said, and conditions so far as business is concerned are rather The dates of the Round-Up are from September 23 to 25, or from 2 to 28, he said. He gave all other in formation asked of him in a pleasant manner, registered the young men and secured the number of their car. He seemed well informed about road con-

More than half of the tourists who were Pendleton guests last night were the trees in the river bottom. In the camp, the space around the fence is reserved for parking and tent room. Small ovens with sheet metal tops are available for use. A supply of wood, sufficient to last one day, is sold for 25 cents, which is what it costs the city. Toilet facilities are provided in the old power building, and there is one ap where drinking water may be secored. Two tables can be used to eat on if tourists desire. Nine cars were in the park proper last night nd more than that number were scattered in the river bottom under the
