PRESIDENT WILL SIGN ARMY BILL BUT MAKES PROTEST IN LETTER

Weeks Says Borah Amendment Would Cause Discharge of Men Enlisted for 3 Years.

WASHINGTON, June 30.—(U. P.)—Though President Harding expects to sign the army bill, he intends to protest in a written letter to congress against the limitations of army establishment. The president and secretary of war opposed the following: Reduction of the army to 150,000 men by October 1st; the Borah amendment prohibiting the war department securing a list of men enlisted for a definite term of service. A moral obligation is involved, the violation of which would be demoralizing to the spirit of the army and prove a serious discouragement to future enlistments. Secretary of War will seek to create no deficit but should the deficit develop during the decreasing efforts he will deal justly with the enlisted men by asking congress to make such provisions as necessary to keep faith with both the army and congress.

Harding said: "The bill necessitates a very large reduction in the army. Expiration of enlistments will account for half the decrease, but I cannot feel justified to ask the secretary of war to enforce the dismissal of men enlisted for a definite term of service. A moral obligation is involved, the violation of which would be demoralizing to the spirit of the army and prove a serious discouragement to future enlistments. Secretary of War will seek to create no deficit but should the deficit develop during the decreasing efforts he will deal justly with the enlisted men by asking congress to make such provisions as necessary to keep faith with both the army and congress."

NO FIRECRACKERS WILL BE FOR SALE IN CITY FOR FOURTH OF JULY

No firecrackers will be permitted in Pendleton for the Fourth of July celebration in Pendleton. The question was brought to the attention of the city council last night when someone asked if a dealer could sell the noise-makers. City Recorder Thomas Fitz Gerald declared that an ordinance passed several years ago prohibits the sale of firecrackers. Enforcement of the provisions of the ordinance will be observed, the council indicated, which will assure a safe Fourth for Pendleton's "Young America."

FOREIGN POPULATION FLEES FROM CHINA

HANKOW, China, June 29.—(U. P.)—The foreign population are fleeing because of impending mutinies of Chinese troops. Thousands of Japanese troops plan to remain in the city. Other foreign concessions are being evacuated. Various provincial governments are taking advantage of the chaos to put armies in the field for the purpose of looting. Thousands were recently killed in hotbeds. Troops are reported using machine guns on refugee trains and killing 1500.

DEPUTY SHERIFFS GET STILL BUT OPERATOR RETAINS HIS FREEDOM

Another perfectly good wash boiler, converted into a moonshine still, has ceased to function for the manufacture of the drink with a flick in it as a result of a visit made by Deputy Sheriff Hildway and Spears to the Pine Creek country. The two deputies returned to Pendleton this morning after having spent three days on the lookout for the still operator. The still was the best of the many that have been secured during the past few months, and the outfit was complete, but the thing that makes the deputies mad is that they failed to get the man who was running it. Watching for three days and nights failed to result in the apprehension of the man who was taking care of the manufacturing concern. On their return, the men had to carry the still and equipment out of the rough country for two miles on a pack horse.

NO TRACE OF ROBBER IN ECHO HAS BEEN FOUND

(East Oregonian Special.) ECHO, June 29.—P. E. Haynes was mysteriously held up and robbed here by a man wearing a mask Tuesday night. Mr. Haynes and a friend had just arrived here on train No. 22 from Pendleton and as it was so late they decided to make their beds out down by the old scouring mill instead of going to the hotel. The partner of Mr. Haynes was walking about 30 feet ahead of him when the hold-up was committed. Valuables including a diamond ring, 22 jeweled watch and over \$22 in bills and silver were stolen. Sheriff Houser spent the day in Echo trying to locate the robber, but so far no trace of him has been found. Two reclamations men from Hermiston had the misfortune to overturn their car into the Western Land Irrigating ditch near the headwaters Wednesday evening. They were able to escape before they inhaled much water. One man received several serious bruises on his leg. They were taken back to Hermiston the same evening. H. G. Thomson, telephone wire chief was here on business from Pendleton, Wednesday. I. H. Gobbell and daughter, Miss Ruth spent Wednesday shopping in Pendleton. B. F. Neeley is suffering this week with a felon on his left hand.
