#### THE PORCH SHADE OF GREATEST SERVICE, ECONOMY AND COMFORT

Quality Porch Shades are an investment in comfort-not a luxury This year, of all times be careful of the porch equipment you buy. You want shades which will not only look well while new but which will stand up under the strain of this year's use, next year's and the ears to come, such are the AEROLCX Shades and we heartly recom

Besides durability there is more genuine satisfaction in AEROLUX than any other porch shade we know of. With the "Hang Easy" attachment anyone can install them in less

than five minutes' time. Splints uniform in width and uniformity woven form a scientifically correct fabric which gives absolutely uniform ventilation from top to stiom and ample protection against the weather—there are no loosely woven sections nor uneven spaces where son and rain might enter.

Adjustable "No Whips," found only on Aerolux, hold the shades a

curely in place and prevent them from whipping and flapping in the Solid Coppere Cord Glides, instead of sticking pulleys or rusting steel glides give a permanently smooth, clean surface for the raising

rds—reducing wear and friction to the minimum, They are smoothly finished—they are permanently stained in attractive, summery colors—there are sizes to fit every purch opening—and they are reasonably priced. A Complete line of Porch and Summer Furnishings awaits your in-

Export Demand Caused Strong Wheat Close

CHICAGO, July 1.—(A. P.)—Signs of liberal expert business had a bullish ffect in the market near the end of he session yesterday despite strike talk and notwithstanding better weather prospects north west. se was first, 3-4@1%c net higher with July \$1.24% @ 1.24% and Sep-tember \$1.23% @ 1.23%. Corn loss be to 1 be and oats 1-2c to 1 1-8c. In provisions the outcome varied from 1-2c decline to 10c advance.

Weakness which had prevailed it the wheat market until the final hour, was based partly on action of grain elecator employes here in refusing t ubitrate wage troubles and partly o chances of cooler weather and rain lining prices, however, were annur ntly taken advantage of by foreign rs and it was said that sales to Europ otaled 1,000,000 bushels. Moreover Jermany was said to be in the marke ith orders for 3,000,000 bushels at \$6 lays credit. The fact that country of erings were rather scarce tended also to strengthen values in the late deal-ings. After sentiment began to change n favor of the bulls prices climber

Prospective heavy deliveries tomor ow on July contracts was a depress ng factor in the corn market. Oats eclined in sympathy,
