30 Licenses, 12 Divorces.
Little Dan's Cupid did not have everything his own way in Umatilla county even during the month of June, popularly set aside as the month of brides and roses. The records for the month have just been compiled by Deputy Clerk Cyril Proebstel, and they show that 30 licenses to wed were granted during the month, an average of one a day. While Cupid was getting in his licks, the divorce mill was also busy. Twelve suits for the dissolution of marriage vows were instituted during the 30 days.

FAMOUS FRIAR CLUB OF PORTLAND IS BURNED

Clara in Film

Clara Bennett has starred in the movie story of her own life experiences. She calls it "Papa." This picture shows Clara and John from one of the scenes. Inca portrays the part of an oil millionaire and political leader. Clara was awarded an Endorsement of the superior of cable E. Haines, oil magnate and politician.

Nina Nahl is becoming quite a favorite with movie fans. She has important roles in "Life" and in "Experience." She ought to be a wise girl after playing in films with titles like those.

One Dollar saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he can not be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars.

The Same Everywhere.
The editor of Pains Akhbar, a native newspaper of Lahore, India, says, "I have used Chamberlain's Colic and Diarrhoea Remedy many times among my children and servants, for colic and diarrhoea and always found it effective."

Biliousness and Constipation.
"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me, I lost my usual force and vitality. Peppin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally," writes Mrs. Rosa Potts, Birmingham, Ala.

A Splendid Medicine for the Stomach and Liver.
"Chamberlain's tablets for the stomach and liver are splendid. I never tire of telling my friends and neighbors of their qualities," writes Mrs. William Volmer, Eastwood, N. Y. When bilious, constipated or troubled with indigestion, give them a trial. They will do you good.
