**TOO LATE TO CLASSIFY**  
MAN AND WIFE, a man and a woman to work out in harvest.—Call Oregon Hotel, Room 29, Webb St.

"It's an actual fact, I'm in good health for the first time in thirty years and I owe my present splendid condition to Tanlac and nothing else." was the emphatic statement of Prof. C. J. Budlong, well-known and highly respected citizen of Manchester, N. H., residing at 42 School street.

"Practically all my life I had had rheumatism, and when I say rheumatism I mean every word of it. It was all over my body and especially had in my feet and legs and there were times when I couldn't get from my bed to my chair without help. And from the time I was a boy I couldn't sit down and eat a good meal without being in misery afterwards and I would have terrible pains around my heart and frequent attacks of palpitation and dizziness.

"I had a stubborn case of constipation, was troubled awfully with blind headaches and hardly knew what sleep was. My suffering had almost made a complete nervous wreck of me and I was so weak I wasn't worth a nickel as far as work was concerned. I thought my troubles had a life-long grip on me and was about as discouraged as a man ever gets.

"Well, before I had finished my first bottle of Tanlac I realized it was different from anything I ever tried. It suited my case exactly. And now for almost the first time since I can remember I can eat anything I want and digest it. I haven't an ache or a pain and have gained fifteen pounds in weight. I just feel good all over and am full of life and energy these days. Everywhere I go I talk Tanlac. It hasn't an equal."

Tanlac is sold in Pendleton by Thompson's Drug Store.

## MURDERER RELEASED KEEPS HIS PROMISE

LITTLE ROCK, Ark., July 6.—(U. P.)—Conscience has driven Sam Payne, former city marshal at Walnut Ridge, back to his cell in the Arkansas state prison, where he will spend the rest of his life unless granted gubernatorial reprieve. Payne escaped from the state prison farm 18 months ago after being sentenced to life imprisonment for murder.

Weary of the life of a fugitive, the mountaineer convict walked into Governor McRae's office, introduced himself and told the chief executive that he was ready to go back behind the bars. In surrendering he was keeping his promise to officers at Walnut Ridge, who "pinched" him when he came out of the mountains to visit his wife, who was critically ill. He would go to the state prison and give himself up, he said, if permitted to stay a few days unmolested with his wife.
