### QUARRELED SINCE WEDDING DAY

"My stomach and liver trouble made a regular growth of me. I was sore at everyone, including my wife, and we quarreled every day since the wedding. She is a dear little girl and I know it was my fault. May's Wonderful Remedy was recommended for my stomach trouble, and since taking it I have felt like a new man. My wife and I now get along beautifully." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and plays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—Drug-gists everywhere.

### MOTHER WORRIED ABOUT DAUGHTER

#### Portland Child Was Weak and Puny—Is Now the Picture of Health

"Tanlac must be wonderful medicine to do what it has for my little six-year-old girl," said Mrs. S. P. Temple, who resides at 464 East Clay St., Portland, Oregon, recently.

"Maxine had been suffering from loss of appetite for a year or more. Nothing seemed to agree with her and it's a mystery to me how she lived on the little she would eat. Her kidneys were disordered and weak, too, and she was so thin, pale and puny looking that I was uneasy about her all the time. She was dull and languid all the time and never wanted to get out and play like other children.

"Well, my dad had been helped so much by Tanlac that we all think if the greatest medicine in the world. I didn't know of course how it would act on my little girl, but I had her take a bottle anyway and it is simply astonishing how it has brought her out. She eats like a pig, everything agrees with her and she no longer looks or acts like the same child. Her kidneys are in much better condition, too, and she is just bubbling over with energy. Why, she's out at play all the time. I just can't keep her in the house. I am so thankful to see my little girl so healthy and hearty that I just can't praise Tanlac enough."—Tanlac is sold in Pendleton by Thompson's Drug Store.

#### Robbers Chat With Victims

### WHEAT GAINS STRENGTH IN TODAY'S MARKET

Wheat showed added strength in the Chicago grain market today, July wheat closing at \$1.22 1/2, September at \$1.21 1/2 and December at \$1.24 1/2. Yesterday July wheat closed at \$1.20 1/2, September at the same figure and December at \$1.23.

Following are the quotations received by Overbeck & Cooke, local brokers:

Wheat Open	High	Low	Close
July	\$1.21	\$1.22 1/2	\$1.22 1/2
Sept.	1.21	1.22 1/2	1.21 1/2
Dec.	1.23 1/2	1.24 1/2	1.24 1/2
Corn			
July	.60 1/2	.62	.61 1/2
Sept.	.60 1/2	.61 1/2	.61
Dec.	.60 1/2	.61 1/2	.60 3/4

WHEAT—It was an erratic market most of the day, but at the same time there was an undercurrent of strength apparent and prices responded easily to scattered buying, led by the shipping interests. The seaboard reported about 500,000 bushels worked for export overnight and while they did not confirm any business done today, it was said the demand for cash wheat was very good. Country offerings in the aggregate were only fair, although there was some increase from Illinois and Iowa points. Local receipts included five cars of new wheat from Nebraska which tested 61 1/2 to 63 1/2 pounds. Spot offerings sold readily at yesterday's average. Numerous black rust reports were received from the Canadian northwest, but other messages were of a contradictory nature. It is quite apparent that domestic millers will be compelled to compete with exporters for new crop offerings, which will undoubtedly mean that increase will meet strong resistance.

The government crop report is as of July 1:

The condition of winter wheat is 77.2, spring wheat 80.8, all wheat 78.2. Corn acreage, 108,901,000; condition of crop, 81.1. Oats condition, 77.6. Barley, 81.4. Rye, 86.3. Winter wheat production, 574 million; spring wheat, 235 million; all wheat, 809 million. Corn production, 3,125,000,000; oats 1,329,000,000. Wheat on farm July 1, about 54 million.
