Mrs. Britten Tells How She Was Restored To Health After Suffering for More Than A Year.

Another Triumph for Lydia E. Pinkham's Vegetable Compound

Dimondale, Mich.—"I had inflammation and a displacement and weakness, and it had been neglected so long had been neglected so long that it caused great pain, and this affected my mind and nerves so that I was very irritable. I had severe pains every month, so that I was often obliged to lie in bed for two days at a time. I suffered for more than a year before my friends said, 'Why don't you try Lydia E. Pinkdon't you try Lydia E. Pink ham's Vegetable Compound? So 1 purchased one bottle after another until I had taken ten bottles, then Lydia E. Pinkham's SanativeWash. I received so much benefit from this treatment that I am now able to do my own work."—Mrs. W. D. BRITTEN, R. No. 2, Dimondale, Mich. Another Michigan Woman says:

"I was bothered for a long time with female troubles and was so nervous I felt almost afraid at times. I also had a pain in my right side and was certainly in a bad way Lydia E. Pinkham's Vegetable

Compound has relieved me of these nervous feelings and pains and I am much better in every way. I don't know just how many bottles I have taken, but I took it for nearly a year and it has done me a world of good."—Mrs. JESSIE GRANGER, R. No. 8, Box 51. Kalamazoo, Michigan.

Good health is a woman's greatest asset. With it she may be the inspira-tion of her husband, a happy mother, and the life of the home. Without it she suffers agonies herself, household duties are a burden, and her family is made miserable by her condition. Is it any wonder that these women were nervous and irritable after suffering so long from such deranged conditions? Such aliments act directly upon the nerves, and it has been said that a large percentage of nervous prostration, nervous despondency, "the blues," and nervous irritability of women arise from some derangement of the female organism.

If women who are in this condition would only profit by the experience of others and take Lydia E. Pinkham's Vegetable Compound at once, much suffering and unhappiness would be averted, as everyone knows a nervous irritable, alling mother makes the home unhappy and her condition irritates both husband and children.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.
