Hogs Lower, Sheep Slow, and Cattle Steady

(From The Oregon Journal.) Hogs reacted somewhat from the extreme advance of Monday, but cattle tailed steady. Sheep were slow to steady.

Only lambs were in demand in the sheep alleys at North Portland for the Tuesday trade. 200 arrivals were shown during the day but the market was bedragged with wethers which found practically no favor from buyers.

General sheep and lamb range: East of mountain lambs \$ 7.00 @ 7.75. Best valley lambs 6.00 @ 6.50. Pair to good lambs 5.00 @ 6.00.

Hogs lost a portion of the enormous rise of Monday at the opening of the Tuesday session at North Portland. As there was only a handful or so of new arrivals in the alleys the market at best was of nominal character.

Some attributed the lack of strength here Tuesday to the fact that no carload lots were received.

General hog market range: Prime light \$13.00 @ 14.25

Smooth heavy, 250 to 300 pounds 12.00 @ 13.00. Smooth heavy, 300 lbs. 11.00 @ 12.00. Rough heavy 7.00 @ 11.00.

With only a limited run in the North Portland alleys, the Tuesday cattle market was considered steady at practically former quotations. In some quarters there was an undercurrent of weakness in top cows and heifers.

General cattle market range: Choice steers \$ 6.75 @ 7.25. Medium to good steers 5.50 @ 6.50.

Some Stocks Show Strength On Market NEW YORK, July 20.—(A. P.)—Washington today stimulated trading in stocks. Oils, especially the foreign

group, early in the session, displayed activity and strength on reaction by the house of the proposed tax on imports, lost ground at mid-day, and rallied sharply later.

Business is being relatively greater than in stocks. Liberty issues showed mixed gains and losses, but most domestic and international groups tended upward.

Sheep and Cattle Higher, Hogs Down KANSAS CITY, Mo., July 20.—Cattle—Receipts, 10,000; better grades beef steers mostly 10 @ 15c higher.

Light Offerings Cause Bulls To Register Gain CHICAGO, July 20.—Bulls had the advantage in the wheat market yesterday largely owing to indications of continued export demand.

Only 10 Percent Of Oregon Wool Held Not over 10 per cent of the Oregon wool clip remains to be disposed of.

Ode to Summer

Heat! Heat! Heat! Rolling down in waves about you Heat! Melting all the pep that's in you Heat!

The sight of bare-legged youngsters wriggling their toes in the cool waters of the mill race makes us all remember we're never too old to wish we could go wading in the creek again.

It's plain some men are not made of dust, or else they would dry up once in a while.

The busiest lady of our acquaintance is spending the summer in a shady spot embroidering a pale pink flax upon a silken blanket for her pet poodle.

Being bored, Agatha, is not knowing what to do next and not doing it if you'd know.

We are not greatly surprised that artificial eyebrows are now on the market. Some enterprising manufacturer very logically concluded that such adornments would sell, knowing that the girls (from flappers to grandmothers) have been pulling out their own eyebrows and that new ones have not been growing in.

700 ACRES OF TIMBER IS BEING DESTROYED BY LARGE FOREST FIRE EUGENE, July 19.—(U. P.)—Seven hundred acres of green timber is being destroyed by a forest fire near Vesper on the lower Columbia river.

Stripes in their flight to the oil fields of Fort Norman so frightened the Indians that it was with difficulty they could be prevented from shooting at the "devil birds." At one settlement the entire populace took to the woods.

ARCADE TODAY PEARL WHITE COMES IN NEW FOX PICTURE

Domestic difficulties and marital mishaps have long been a favorite subject with the men who make the novel and the drama. Big moments in the home life of a man or woman always have a popular appeal.

Such a drama of realism is "Know Your Men," a William Fox production in which Pearl White is starred and which will be the feature attraction at the Arcade Theatre today.

Miss White enacts the role of Ellen Skayler, a wealthy girl. With the financial ruin of her father and description by the man she loves, her fortune is also wiped out.

Nothing too good for soldiers—we kept our promise' says Colonel COLUMBUS, Ohio, July 20.—(I. N. S.)—The fact that the ex-serviceman is becoming embittered toward the country by reason of their opposition to adjusted compensation for him is laying the foundation for a far greater economic loss than would the payment of a cash bonus.

Arguing in favor of the cash bonus for soldiers, addressing the military committee of the Columbus Chamber of Commerce, Colonel Bush continued: "We promised the American soldier when he went to France nothing would be too good for him when he returned. We have kept our word—for nothing is what he has received."

The United States is the largest fur producing and fur consuming country in the world.
