

News Notes of Pendleton

CALENDAR OF EVENTS
 June 27-August 1—Summer Normal School.
 July 23—Meeting of Umatilla and Walla Walla County wheat growers.
 September 19-21—Northwest Grain and Hay Show.
 September 22, 23, 24—Annual Pendleton Round-Up.

Residence Is Sold
 The attractive residence of Dr. and Mrs. David B. Hill, on the corner of Martin and Jefferson streets, was sold yesterday to J. E. (Lou) Pinson. The sum paid was around \$11,000. The house is one of the most modern residences in the city. Besides a full basement, there are four rooms on the first floor and five on the second floor. Mr. and Mrs. Pinson will take possession September 1 and Dr. and Mrs. Hill will make their home in the residence across the street which was built by Dr. Hill recently.

Lockley Is Appointed
 Lawrence C. Lockley, son of Fred Lockley of Portland formerly of Pendleton, has been appointed to a position in the department of English of the southern branch of the University of California, at Los Angeles. Mr. Lockley was formerly a student at the Oregon Agricultural college, and enlisted in the Corvallis branch of the student army training corps. The following year he transferred to the University of California, where he graduated with honors in December, 1920. At present he is registered in the summer session of the university, and will complete the requirements for a master of arts degree at the end of July. When in Portland Mr. Lockley was a newspaper reporter.

Good Huckleberry Crop
 The crop of huckleberries in the Cabbage Hill district this year is much better than it has been for a long time. Information to this effect was brought to Pendleton yesterday by Mrs. C. H. Weeks, who with her family, was in the city. Many of the berries are being distributed in Pendleton.

Get Building Permits
 Permits to remodel dwellings have been issued at the office of the city recorder to Jennie E. Quinn for work amounting to \$500 on a residence on High street, C. E. Williamson has secured a permit to build an addition to his residence on Sophia street at a cost of \$400.

Represents Roycrofters
 Frank Rogers, a representative of the Roycrofters of East Aurora, New York, is in Pendleton and will remain here for three weeks. Mr. Rogers was a personal friend of the late Elbert Hubbard and was his press agent for lectures tours, gaining an intimate knowledge of the author of the famous "Little Journeys" and other books.

Enjoys Colorado Trip
 City Recorder Thomas Fitz Gerald has received a letter from his brother, Dr. P. H. Fitz Gerald, of Portland, who is enjoying his vacation on a trip through Colorado. He recently saw the Grand Canyon of the Colorado. "Some crack in the earth," is his comment on the scenic wonder. Dr. Fitz Gerald has been in practically all of the civilized countries in the world except on the South American continent.

Takes His Vacation
 Byron Gunn, salesman for the Pendleton Woolen Mills, and president and first-vit of the Village Cut-Up club, left today on No. 17 for Spokane. He will remain there about a week on business, after which he will go to Cannon Beach where he expects to remain during the month of August on his vacation. During his absence, the Cut-Up club will be under the direction of Henry Donis, local horse shoe champ.

Pendleton Invited to Show
 An invitation from the management of the Pacific International Live Stock Exposition to the Pendleton Commercial Association to send a special train to the big exposition in Portland November 5-12 has been received at the office of the association. The chartering of a train and the visit to Portland would afford that city an opportunity to repay the hospitality that is paid Portlanders here when their special train visits Pendleton during the Round-Up.

Improve School Yards
 The playgrounds at the Lincoln, Washington and Hawthorne schools are being improved by grading and the application of a coating of cinders and fine gravel. Work on the Lincoln grounds began early in the week, and the yards at the other schools are to be worked over under the direction of the board of education. Ten carloads of cinders were received yesterday and equal amount of gravel will be mixed with the cinders and then rolled down to provide a hard surface for the children to play on.

Bowman Return from Astoria
 Mr. and Mrs. Dan Bowman, accompanied by their guest, Miss Zelpha McKinney of Springfield, Neb., returned yesterday evening from Astoria where Mr. Bowman represented the Pendleton post of Spanish-American War Veterans at the state encampment. It was through his efforts that the encampment was secured for Pendleton in 1922. The Bowmans left Astoria Wednesday, and the trip home was made by easy stages. Wednesday night was spent in The Dalles. "We have got to have good roads if we want tourist travel," Dan says as a result of his trip. There is a great deal of traffic on the coast now, he reports.

Woman Is Sought
 Mrs. Laura Mayne, formerly a resident of Milton, is being sought by Oliver H. Shoup, governor of Colorado. A search is being made all over the country. Mrs. Mayne disappeared while en route from New York city to Gunnison, Colorado. The last information received from Mrs. Mayne was in the form of a letter mailed from Milton. In this letter Mrs. Mayne said she had been drugged on a train and was being held captive by two men. The letter indicated that it was written while Mrs. Mayne was under a nervous strain. Recently the woman's relatives appealed to the mayor of Milton for help, but he replied that he had been unable to find any trace of her there. The woman was described as being an American, single, 31 years of age, weight 135 pounds, height 5 feet 4 inches, heavy brown hair, brown eyes, educated, refined, well dressed. Any information regarding Mrs. Mayne may be sent to Jacob Starr of Crested Butte, Colo.

NEW BOOZE POLICY MAY PROVE AID TO SELLERS

WASHINGTON, July 22.—(Booze hunters along the bootleg trail, ever alert for some encouraging sign, hail with satisfaction the "rule of reason" policy promulgated by Roy Haynes, new dry law chief. Haynes' policy was not framed for bootleggers' benefit, but is aimed to lessen some of the restrictions over legitimate users of intoxicating liquors.

But it carries much cheer to the ranks of the illicit handlers of high voltage beverages. Haynes, under the new regime, will be forced to deal more generously with the classes of business men and concerns entitled to withdraw and use whiskey and other liquors for commercial purposes. This moderate relaxation away from the very rigid standard established by the former regime may open up new sources for bootleggers.

Although dry chiefs fully realize the dangers, they take the position that legitimate enterprise must not be too severely hampered. Commissioner Haynes has promised representatives of large drug interests and agents of the chemical industries that his policy will be to facilitate and encourage enterprise by making it less difficult to obtain liquors.

This broader policy toward legitimate users of intoxicants in the arts and sciences contemplates the complete redrafting of a code of rules which have held manufacturers and other users of liquors to embarrassing limits. The removal of many of these restrictions brings cheer to the bootlegger, who may find it possible to return to the old method of securing liquor supplies legally withdrawn from bond.

WOULD BAR FLANDERS POPPY
 BOSTON, July 22.—(I. N. S.)—The Flanders poppy, revered by many as a symbol of some one dear to them who lost his life on a Belgian battlefield, was roundly condemned by Dr. Arthur W. Gilbert, State Commissioner of Agriculture, who warns against importing the flower.

Dr. Gilbert does not base his objections on sentimental but on economic grounds. He sees the gaudy poppy as an agricultural nuisance.

Keep Your Blood Pure In Summer

Many fever epidemics are caused by impurities in the water supply and are ended only when the water is purified. Likewise, many blood disorders such as eczema, tetter, pimples, boils, blackheads and Rheumatism are caused by impurities in the blood supply and can be stopped only when these are driven out. Enrich your blood and keep it pure by taking S. S. S. You could have no better health insurance.

For Special Booklet or for individual advice, without charge, write Chief Medical Advisor, S. S. S. Co., Dept. 439, Atlanta, Ga. Get S. S. S. at your druggist.
