NOW THEN—ALL TOGETHER

DIRIGIBLE DITCHES CREW OF THREE THEN FLIES AWAY IN GLEE

ROCKAWAY, Aug. 6.—(A. P.)—The H-1, the smallest dirigible in the navy, fell on a barren island during a test flight and dumped out her crew of three and lightened of this burden several thousand feet in a runaway flight over Long Island sound.

FREE RIDE COSTS LEG POPULAR BLUFF, Mo., Aug. 6.—(I. N. S.)—Misfortune teaches the lessons of youthful folly, according to Henry Ranney, sixteen, who today has but one leg. Ranney, with several other youths, decided to "ride the blinds" of a Missouri Pacific passenger train. There was a dull thud, a scream, and when the dust cleared away Ranney was minus a leg.

MULE COMES BACK. FREEPORT, O., Aug. 6.—(I. N. S.) This story proves that the mule, like the fabled cat, "comes back." A mule born on a farm near Piedmont, Harrison county, ten years ago, was shipped to Wheeling, W. Va. It later was shipped by train to Cadiz and assigned to work in a coal mine. Recently it made an unauthorized trip to its birthplace. The animal, accompanied by a colt, left its pasture near the mine at night arriving at its native feedbox, fifteen miles distant, at daybreak.
