## All Wool Suits for Boys Two Pair Pants \$8.90, \$10.90

Here's economy for you in the real sense of the word. Sturdy suits of all wool with an extra pair of knickers will mean almost as much service to the average boy as another suit.

They are not just ordinary suits at a low price, but exceptionally good suits at a price that only Penney merchandising methods and cash selling can produce.

Thoroughly tailored from high grade woolens, coats have double elbows and canvas fronts keep them in shape until worn out.

Pants are lined throughout, seams are taped and stayed, double seat and double knees.

Mighty clever styles for young men in these two price groups too. Suits you'll be proud to see your boy start the fall school term in. Colors and patterns to please, grays, browns, tans, greens and heather mixtures. Sixes 7 to 16 years.

Alterations Free.

### \* When they Call it an "Orphan"

An orphan in automobile talk is a car that is bought from some person not able or disposed to guarantee service and satisfaction to the owner.

The term recognizes the specific value that a good dealer gives to any car he sells.

We recommend the Buick.

No car we sell ever becomes an "orphan."
