BOY SCOUTS ENJOY LAST DAY AT FIR TREE LODGE

(East Oregonian Specialty)
FIR TREE LODGE Scout Camp, Aug. 12.—So enjoyable was the day at the lake on the 9th that the scouts decided to put in their last day there. All reported the greatest time of their lives. They built "Monitors" and "Mermaids" on their rafts and staged real naval battles with soft mud till most of the boys could hardly be distinguished from oaty mud of the lake shore.
 Four "big" boys manned a large raft and tried to capture, and did capture, all the small boys on smaller crafts. Then Scout Master Kirby took a hand and finally captured the large raft and pitched all four of the braves into the lake all they begged for mercy and were allowed to get back on their own craft. Around the last campfire tonight the scout masters gave their final talks on scouting, good citizenship and character building. Then each boy was asked to express himself as to what he thought of the present camp and how he had enjoyed it all. Their words were sincere and characteristic of boys who have had a real good time, and all hope to "do it again" next year. Last night around the campfire the boys enjoyed a treat of peanut candy given them by Bailey Ross, merchant of Mekeham. Tonight all enjoyed around the campfire a toasted marshmallow feast made possible by a gift from Mr. and Mrs. Roy Alexander who are camping near by. On invitation, Mr. and Mrs. Alexander got in line and ate supper with the boys from mess kits, one of which Scoutmaster Cornelison had used in France. They doubtless can tell you how the scouts fared as to eats for one meal at least. The boys will tell you that it was not unusual.

SHIP'S MENAGERIE RUNS AMUCK DURING VOYAGE

LONDON, Aug. 13.—(U. N. S.)—The Elder Dempster steamship Edina was berthed at Liverpool this week with a distracting sideshow in full swing.
 On board was an interesting collection of beasts sent by the government of Gambia, West Africa, as a present to the London "Zoo."
 Two hyenas formed part of the consignment. These had already been loose once during the passage, and they repeated the escapade in the bay who thence is that some youthful sports enjoyed the first incident so much that they arranged for a repetition before they left the ship.
 Pitchforks were employed to urge the beasts back to their den. The officers never had a dull moment while the dual operation of berthing ship and big game hunting was in progress.
 Some regrets were expressed not among the ship's officers that the porcupines and ostriches were not given an airing at the ship's time.
 In addition to the passengers' link great interest in the voyage in the menagerie, and several still bore souvenirs in the shape of scratches when the vessel docked.
