Light Receipts and Low Markets at Portland
 (From the Oregon Journal.)
 Nothing arrived in the North Portland hog alley overnight except drive-ins, and even on that stock a weak undertone was displayed. Portland market is apparently ready to follow the decline made by Eastern Markets, but no price change has been announced. The market is weak following the 25c decline Monday.

General hog market range:
 Prime light \$11.75@12.25
 Smooth heavy, 250 to 300 pounds 10.80@11.00

 Rough heavy 8.00@ 9.00
 Fat pigs 11.75@12.00
 Feeder pigs 10.00@11.00
 Stags 8.00@ 8.50

There were no holdover cattle in the market this morning, and nothing ar-

ived, so there was nothing certain about the tone of the market during the early trading. The market appeared to be nominally steady.

Special cattle market ranges:
 Choice steers 6.00@ 6.50
 Medium to good steers 5.50@ 6.00
 Fair to medium steers 5.00@ 5.50
 Common to fair steers 4.00@ 5.00
 Choice cows and heifers 4.75@ 5.25
 Medium to good cows and heifers 4.25@ 5.00

 Prime light dairy calves 10.00@10.50
 Med. light dairy calves 7.00@10.00
 Heavy calves 5.50@ 7.00

All the livestock arriving by rail

overnight came into the sheep and lamb alleys. Only 114 head arrived. Both markets are steady.

General sheep and lamb range:
 East of mountain lambs \$ 6.50@ 7.25
 Best valley lambs 5.50@ 6.00
 Fair to good lambs 4.50@ 5.00

 Heavy yearlings 2.50@ 3.00
 Light wethers 2.50@ 3.00
 Heavy wethers 2.00@ 2.50
 Ewes 1.00@ 3.00

Depreciation Further Recorded on Market.
 NEW YORK, Aug. 17.—(A. P.)—Liquidation and professional selling caused further material depreciation of quoted values in the stock market yesterday. Numerous speculative issues sustained additional declines of one to four points.

New low records for a year or more were registered by oil, steel, equipments, chemicals and various unclassified shares. Other elements of weakness embraced food, textile, paper and mail order issues. Rails were pathetic, but mainly lower and shipments also eased under pressure.

Lowest prices were made in the afternoon when offerings of Mexican Petroleum, General Electric and United Fruit were most effective. Before the close, however, profit taking caused moderate rallies. Sales amounted to 45,000 shares.

Withdrawal of \$5,000,000 of federal deposits from local banks precluded any relaxation of money rates. All call loans were made at 6 per cent and time accommodations held at 6 to 6 1/4 per cent, the same quotation applying to commercial paper.

Excepting Scandinavian remittances which were higher by 10 to 35 points, foreign exchanges manifested fresh unsettlement. Sterling bills reacted 1 1/2 cents, francs fell eight points and golds lost 15 points. Marks were weakest at 195, but rallied slightly later.

The bond market was dull but firmness prevailed in rails, including convertible issues and most of the foreign group. Liberties were irregular, slight reactions ruling at the end. Total sales, par value, \$8,250,000.
