NEWS OF THE COUNTY OFFICES AND OFFICERS

Owing to the fact his wife has been ill in Portland, D. C. Brownell has been kept close at home in Portland and until yesterday had not been a Pendleton visitor for several months. Mrs. Brownell is now much improved and D. C. was here yesterday discussing the Umatilla rapids project and other subjects. He is an ardent champion of developing power on the Columbia.

One Marriage License
A marriage license was issued today to Russell Perry of Denver and Miss Mildred Hughes of Echo. The bride is a teacher.

Charged with fishing without a license
B. H. Sherry has been arrested on a charge preferred by W. H. Albese, county fish and game warden. The accused man was required to give a bond of \$30.

C. I. Barry, secretary of the Pendleton Commercial Association, and Joe Harvey, city editor of the East Oregonian, left this morning for the west end of the county. They will spend the day at Echo and Stanfield.

C. E. Waller, formerly with the Inland Empire bank here and now located in Portland in Pendleton today accompanied by S. F. Wilson of Portland. The two men are enroute to Boise on a business trip.

Weston will spend a considerable sum for street improvements in the near future, says Clark Wood, editor of the Weston Leader, who is a Pendleton visitor today.

Dan Hinne returned to Portland today after a business visit here.

INVITATION IS REFUSED
WESTON, Aug. 18.—(I. N. S.)—The following cheerful message was contained in a recent letter from a Mohammedan father in India to his son studying in a large New England educational institution, who has become a Christian: "If you were home I would give you \$100 to go to Mecca. Now I shall be glad to hear that you are begging or that you have been put in jail. I will certainly kill you if you come home. The young man is not going home."

Dylan Hill Returned
Deputy Sheriff Dave Lavenander returned this morning from Helena, Mont., where he had gone to get Dylan Hill, wanted here on an auto charge. At Helena, according to Lavenander, the sheriff has been busy rounding up moonshiners and as a result has a whole store room filled with stills and other paraphernalia captured by the officers.

How Old Age Comes To Those Who Invite It —“There’s a Reason”

THERE are plain rules, well understood, about keeping a piece of machinery in repair and running smoothly. Is the body as important as an automobile engine or a furnace? Well, then—The body is strengthened, warmed, sustained—kept young—in a very practical and scientific way. Some Simple Facts: Food is heat and power and renewal for the body. After all, there’s nothing mysterious or magical about what food does in serving human need. Nothing mysterious, but much that is interesting—and important. Some foods are particularly good for the body. GRAPE-NUTS is such a food. Grape-Nuts is made from whole wheat and malted barley flour—product of the two grains which are richest in food elements for human need. Under the outer, or bran coating of the grain, nature has placed phosphates and lime which go to the making of bone, and the red blood corpuscles. This may sound like physiology, but it works like health. Hunger Not Cheated: All the richness of the kernel, together with essential mineral elements, are retained in the making of Grape-Nuts. Often, in the manufacture of foods, some of the most vital of nature’s provisions are thrown away. The long baking process (Grape-Nuts is the result of 20 hours continuous baking) partially pre-digests the food substances, develops the starches into dextrin and maltos—giving to Grape-Nuts its own natural sweetness—and produces a food which, when served with milk or cream, has been found by chemists to be almost perfectly balanced in qualities of nutrition. The Enemies Within: Now, old age begins in the larger intestine. This is what the scientists have found who know the human body as the mechanical expert knows his automobile engine. Noneed to go into the particulars—it’s enough to say that certain effects produced by food which is slow in digesting develop fermentation and other conditions which cause the body to grow old and wear out sooner than necessary. Grape-Nuts digests quickly and wholesomely. Much of this is due to the fact that the long baking has partly pre-digested the nutrient; partly to the fact that there is contained in Grape-Nuts the essential “roughness” to stimulate the action of the intestines. Health’s Splendid Champion: Grape-Nuts is a delightful food, for it is uniquely rich and sweet in flavor, and always crisp. It is unusually nutritious, for it has all the body-building elements of the most perfect food grains. It is a convenient and economical food, for it is ready to eat from the package, keeps in any climate, and is appetizing to the last bit. It builds strength and vigor without taxing the digestion or leaving, within the body, elements whose familiar harm is really the beginning of “old age.” Grape-Nuts has been a favorite food, around the world, for nearly a quarter of a century— And there is a reason!

ANSELL IS CHARGED WITH CONSPIRACY IN BERGDOLL'S ESCAPE

Committee Recommends That He Be Disbarred From Practising in Nation's Courts.
WASHINGTON, Aug. 18.—(A. P.)—Samuel Tilden Ansell, former acting judge advocate general of United States army and counsel for Bergdoll, Colonel John E. Hunt and Colonel C. C. Cresson were charged with conspiracy in connection with the escape of Grover Cleveland Bergdoll, the draft evader, in a report signed by three of the five members of the special investigating committee. The report recommended Ansell be disbarred from practicing in the courts of the nation above whose safety and integrity be placed in doubt. The minority report, signed by McArthur, of Oregon and Peters of Maine, held no testimony to show improper motives or conspiracy on Ansell's part. Lutting, of Indiana, a republican, Johnson, of Kentucky, and Flood of Virginia, signed the majority report. **Mayor Campbell Executed.** WASHINGTON, Aug. 18.—(U. P.)—The majority and minority reports both exonerated Mayor Bruce Campbell of the bribery charges Mrs. Bergdoll instituted. They also commended the alien property custodian for his seizure of the Bergdoll property, urging him to force Mrs. Bergdoll to produce the \$100,000 in gold she says she buried.

COMMUNITY CLUB WILL MEET SEPTEMBER 10TH

(East Oregonian Special.) WESTON, Mt., Aug. 18.—The Muses Corn and Alpha Brown left for their home in Dayton, Wash., Tuesday after a week's visit at the Mark Handerson home. Miss Ruth Auken returned to Walla Walla Sunday with her parents Mr. and Mrs. C. B. Auken and brother Guy. Miss Florence Arnsworth returned to Wasco, Ore., Friday after a month's visit with her sister Mrs. Robert G. Tweedy. Miss Arnsworth returns to Eugene in September to the Christian College where she graduates in 1922. Miss Hilda Larsson is visiting her sister Mrs. Roy Hyatt. Miss Larsson will teach again in Wallula, her school commencing September 5. Robert Hopkins went to Pendleton on business Monday. Will Hall is building a garage this week and was a business visitor to Milton Monday. Weston Mountain was shocked Tuesday when W. H. Gould received a telegram from Alberta announcing the death of their son Arthur's wife Pearl, leaving an infant of two or three days. Mr. and Mrs. Gould left immediately for Alberta. Weston Mountain school will open September 5 with Mrs. Roy Hyatt as teacher. Weston Mountain was hit by a severe rain fall and thunder storm Sunday evening. It was reported that hail fell an inch deep at the sawmill. Jim McDaniel lost a good young horse killed by the lightning. Mark Henderson moved the threshing machine back to the mountain Friday after a most successful run on Pea Ridge. Threshing will commence on the mountain Monday at the E. E. Tucker farm. W. L. Rayburn had the first threshing done, a small field of barley August 1.

Weston M. Community Club met Saturday night. Fred Benson, county agent gave a talk on potatoes and organized a potato growers association among the growers of the mountain. Dorney Sams had the best and cleanest potatoes on the hill that were examined. Two men from Yakima are trying to get all the potatoes contracted for three to five years for \$30 per ton field run for seed. They said that the Weston mountain seed were from 25 to 50 per cent better than any eastern certified seed they could get, and were anxious to contract all the good clean potatoes. Several have already signed up. E. E. Tucker has the contract to sign. Mrs. Hart is visiting her daughter Mrs. Dorsey Sims. Ed Jones moved his family back to Milton Tuesday after three months on the mountain. The next meeting of the Community Club will be Saturday night September 10 when the Weston Mountain club will have as guests the Reid and Hawley Community club only recently organized. A winter roast and watermelon feed with the trammies will be the special attraction. Mrs. J. M. McDaniel is at home again after a year in Placenta, California. Mr. and Mrs. McDaniel expect to return this fall when Mrs. McDaniel will teach again. Miss Margaret Dowd arrived from Washuena, Wash., Monday to visit her sister Mrs. Will Gould.

WHEAT CONTINUES TO SHOW DECLINE IN PRICE

	Wheat	Open	High	Low	Close
Sept.	\$1.18 1/2	\$1.20	\$1.16 1/2	\$1.14 1/2	\$1.18 1/2
Dec.	1.20 1/2	1.21 1/2	1.17 1/2	1.17 1/2	1.20 1/2
	Corn	Sept.	Oct.	Nov.	Dec.
		.54 1/2	.54 1/2	.52 1/2	.52 1/2
		.53 1/2	.53 1/2	.53 1/2	.52 1/2

Continuing the weak trend of the week, the wheat price today is lower than that of yesterday. September wheat closed at \$1.16 1/2 and December wheat at \$1.17 1/2, while the prices yesterday were \$1.13 1/2 for September and \$1.20 1/2 for December. Following are the quotations received by Overbeck & Cooke Co., local brokers:

Held for Grand Jury
Earl Beese and Hazel Beese, charged with having robbed the home of Commissioner R. E. Bean, at Umatilla, were today found over to the grand jury and given their freedom on \$2500 bail provided by the father of Beese.

Killed Doe and Fawn.
J. D. Kirk and C. B. Johnston are accused of having killed deer out of season in a complaint filed today by the district attorney's office at the instance of W. H. Albese, deputy game warden. The particular charge against the two men is that they killed a doe and a fawn. The charge was filed in the justice court at Athena.

Dylan Hill Returned
Deputy Sheriff Dave Lavenander returned this morning from Helena, Mont., where he had gone to get Dylan Hill, wanted here on an auto charge. At Helena, according to Lavenander, the sheriff has been busy rounding up moonshiners and as a result has a whole store room filled with stills and other paraphernalia captured by the officers.

PROPOSED REDUCTION IN RATES IS SUSPENDED

WASHINGTON, Aug. 18.—(U. P.)—The interstate commerce commission has suspended until September 16 the proposed reduced freight rates on fresh fruit and vegetables between points in Arizona, California, Nevada, New Mexico, Oregon and Utah to points in Arizona.

STREET IMPROVEMENTS APPROVED BY COUNCIL

Last night was ordinance night with the city council a stack of measures which had accumulated during the two weeks that had elapsed since a meeting of the body making much business in this line. Practically all of the ordinances were to authorize street improvements or to provide for final assessments. The improvement of Marie street from Alta to Court streets was assured in an ordinance that was adopted, and the same sort of an ordinance was passed for Thompson, Wilson, Alta and Turk streets. Assessment ordinances covering work done on Madison, Clay, Grange, Jefferson, Washington and Lincoln streets were passed. A difficulty faced by the Union Oil Co. was ironed out by the passage of an ordinance authorizing the company to conduct business on the site which has been held by it in the west side of town. A petition was presented two weeks ago by residents who objected to the presence of the plant, and the objection brought to light legal barriers which were rectified by the passage of the ordinance last night. A "trespass" ordinance was passed which makes it illegal for anyone to trespass on city or private property. The measure is passed in an effort to give the police power they want in keeping control of vagrants. During the absence of Mayor Hartman, the chair was occupied by Councilman Manuel Friedly.

Members of the house of representatives recently received by mail a small plug of tobacco. LAWRENCE, Kan., Aug. 18.—(U. P.)—A two-block-long horseshoe-shaped concrete stadium settled in the valley of the horseshoe ridge of hills that make up the campus of the University of Kansas here, will serve as a community center as well as athletic field to the entire state of Kansas. Work on the huge structure, the largest in the Missouri valley, which will be dedicated to the memory of the 126 Kansas University men and women who died in the World War, was begun this week. Fifteen thousand seats will be finished in time for the big football games this fall, although the structure when complete will seat 32,000 and cost more than \$300,000. The location of the stadium is ideal for parents of statewide interest, according to state authorities. It is within the city limits of Lawrence and directly on the Golden Belt, Midland Trail and the hard-surfaced Fort-to-Fort highway. The facts that there is an automobile for every six persons in Kansas and that the stadium is a soldier memorial are expected to make the big stadium a mecca for conventions and outdoor meetings from all over the middle west. A football gridiron, a baseball diamond, a quarter-mile running track with a 220-yard straightaway, and tennis courts are the principal features of the arena, which will be below the surface of the ground, and in plain view of all seats.

DRY CHIEF WILL TRY HIS LUCK IN INDIA

LONDON, Aug. 15.—(I. N. S.)—"Pussyfoot" W. E. Johnson is going to try his luck in India. Before the end of August the American anti-booze campaigner will sail for the Far East, bent on wiping out Bombay's beer and Calcutta's cocktails, he announced recently. "Pussyfoot" is a bit pessimistic about the chances of making England dry, say, within the next four or five years and wants to see what the chances are with India. The action of the British Parliament in removing some of the war-time liquor restrictions and making it easier to get booze has discouraged Johnson, but left him in good humor. "If they want booze, turn it loose," he said. "Let them have it—and let the consequences. That's democracy. I would like to see the whole world try, but I believe in majority rule and whether it goes on my side or against it I submit to the majority." Legislation that limits the number of saloons or the number of drinking hours doesn't get to the bottom of the drink question, added "Pussyfoot," commenting on the new British law. "A man can get just as drunk in one saloon as in three, and if he is going to get drunk he can do it just as well in three hours as in six," he said.

BUILD YOURSELF UP SO AS TO FEEL BETTER

Eat and sleep better, as well as look better, by taking Hood's Sarsaparilla. It is an all-the-year-round medicine, good in all seasons. It purifies, enriches and revitalizes the blood, creates an appetite, aids digestion, assists assimilation of the food you eat, and wonderfully builds up the whole system. In many cases it succeeds where other medicines fail to do any good. If you need a mild effective cathartic, get Hood's Pills.

ARMY HOSTESSES MAY DON UNIFORM AND BELT

BOSTON, Aug. 15.—(A. P.)—After September hostesses in the United States Army will wear a bottle gray uniform. It is probable they will be allowed to wear also the Sam Brown belt, along with the privilege now granted to the nurses who are officers in the army. Mrs. Louise Fleming, supervisor of the First Corps Area, is busy making preparations to have the hostesses in this corps ready to obey the order by September 1.

HERO OF MANY BATTLES LOSES VOICE IN WRECK

COPE, Cal., Aug. 18.—J. T. Ellis, local preacher, went through battles in three wars without serious injury, but lost his voice and suffered minor hurts in an automobile accident near here. While driving north along the road from Peabody to his home here Ellis came suddenly upon an automobile parked directly in the middle of the road, on the approach to a bridge crossing the Republican river. Ellis had the choice of bumping the car or running up a high clay bank at the side of the road. Choosing the latter, his automobile was practically demolished and he was cut and bruised and lost the power of speech. It is believed he will recover his voice. Ellis fought with the British Grenadiers in the Transvaal, was in the United States army during the Spanish-American war, and fought with the American forces in France during the World War.
