Cabbage Hill

Oh the trail that leads from the haunts of men
 Is the trail that I've longed to see,
 For it takes me back to the hills again
 Where my lost youth waits for me.

A fragrance creeps from the piney depths
 As the sun sinks red and low,
 And I graze on the fields and valleys beneath
 In the light of the afterglow.

We note that the E. O. is advertising
 thus: "The Inecto Rap'd girl is Here." Don't crowd, men.

More than likely you were considered a handsome baby.

Some screen stars should be behind it instead of on it.

Remember the fellow whose job it was to shoe the flies away from the horse as the blacksmith nailed on iron galoshes?

In the Dark

He seized her in the dark and kissed her.
 For a moment bliss was his.
 "Oh," he said, "I thought it was my sister!"
 She laughed and said, "It is!"
 To kill time try hard work.

Latest word from New York is that arrangements are being made in wholesale garment circles there for placing on the market suits composed of coat, vest, trousers and knickers.
 The knickers, it is pointed out, will be available for any form of outdoor sport.

Demand for the short trousers, it is said, originated with soldiers in the recent World War. Some say the knickers'll a want for a sensible garment for outdoor sports.
