

News Notes of Pendleton

CALENDAR OF EVENTS
 August 26-30—Water First Aid course at City Natatorium. Direction of Joseph C. Hedges.
 September 10—Hermiston Experiment Station Field Day.
 September 19-21—Northwest Grain and Hay Show.
 September 22, 23, 24—Annual Pendleton Round-Up.
 October 7-8—Seventh Annual Dairy and Hog Show, at Hermiston.

Water System Has Leaks.
 That there are several leaks in the municipal water mains yet, notwithstanding many repairs have been made during the past 60 days, was found yesterday afternoon when Councilman Manuel Friedly and Street Commissioner C. A. Crabtree, accompanied by a reporter from the East Oregonian made a trip over the city. Councilman Friedly, as a member of the street committee of the council is gathering data as to the condition of pavements where leaks from the mains seem to have caused the pavement to settle. The leaks found yesterday are seven in number, two being

at fire plugs, one at a stand-pipe and the remaining four being apparently in the mains. Just off of Webb on Walnut street stagnant water stands in the streets from a main leak. At the corner of West Court and Ash the water seeps up through the paving.

Wants Money for "Bucks."
 From Lost Lake, Montana, comes the story of a man who would like to have cash for three 10-dollar "bucks," currency of Happy Canyon. The letter was received at the Inland Empire Bank. The man writes that the "bucks" are clean and in good shape, and that they are dated 1921.

Returned to Penitentiary.
 Andy Bushman was returned under guard to the Walla Walla state penitentiary last night following his capture near the Agency by Deputy Sheriff Wes Spears yesterday afternoon. Sent to the institution from Yakima for the theft of a car, Bushman had served a little more than one year of a sentence of from two to 15 years. Bloodhounds were used on his trail, but the dogs were unable to keep following him. Bushman was on the river, and when Spears approached him the escaped convict was in con-

versation with a woman. He was dressed in an army outfit and tried to "bluff" the officer out of making the arrest.

Cookers Are Made
 Home-made fireless cookers are being made by a group of Pendleton women today in the office of Mrs. Edith G. Van Deusen, home demonstration agent who is directing the work.

Is Taking Vacation
 George H. Dalrymple, in charge of the local Western Union office, is taking a two weeks' vacation. W. N. Wintler, of Eugene, is in charge while Mr. Dalrymple is absent. Mr. Dalrymple will remain in Pendleton during the two weeks.

Makes Lamb Shipment
 Enoch Pearson, local sheep man, left last night from La Grande Junction with a shipment of 9 carloads of lambs which he is taking to Chicago. This is the second big shipment of the year for him. The first lot consisted of 12 carloads and found a good market at Chicago.

Shop Is Sold
 Miss Antoinette Gindraux, proprietor of the Smart Shop, has sold the business to her former partner, Mrs. B. D. Orton (Sophie Pikan). Miss Gindraux will remain here for three weeks and will then visit Portland and the coast, going later to San Francisco. She has not decided upon her plans for the future.

Band Concert Friday.
 The third band concert of the summer in the city park will be held tomorrow evening. Bandmaster A. W. Lundell announced today. The program will begin at 7:45 and will include a choice selection of numbers. The time of beginning is 15 minutes earlier than at previous concerts on account of the coolness of the evenings.

Road Work Progressing.
 Fifty per cent of the grading work for the Pendleton-Cool road, Oregon-Washington highway, is completed, estimates H. H. Baldock, division engineer, who accompanied by Ernest Crockett, secretary of the Eastern Oregon Auto Club, made a tour of inspection today. He was accompanied by the Columbia Highway to Heppner Junction and then cut through the new construction work, by way of Cecil, Ione, Lexington, Heppner and Pilot Rock. The highway will equal in importance the Columbia highway, says Mr. Crockett.

Troxel Silage Mentioned
 The sunflowers grown by J. E. Troxel, Pendleton dairyman, is mentioned in an article, "Good and Bad Sunflower Silage" in Hoard's Dairyman, one of the largest dairy magazines in the United States. The article is written by P. L. Ballard, assistant state county agents leader, who says in part: "J. E. Troxel is a dairyman in the center of one of the most important dry farm counties in the state. Mr. Troxel recently stated that he had no fear of the competition of his associates in producing market milk so long as they did not feed silage. He fed sunflower silage this year with exceptional results."

Funeral is Held.
 The funeral of the late Louis Ragains was held yesterday from the Brown and Brady chapel, with Rev. George L. Clark, pastor of the Presbyterian church, officiating, assisted by Rev. Virgil Ragan of Pilot Rock. The funeral occurred just 16 years after his marriage to Miss Blanche Jaques, daughter of Mr. and Mrs. Thomas Jaques, of Pilot Rock, who survives her husband. There were many beautiful floral offerings at the chapel and at the grave, where the J. O. P., of which Mr. Ragains was a member, took charge. Six friends who grew to manhood with Mr. Ragains were pall bearers. They are Richard Baker, Earl and Guy Roekwell, O. Jenkins, Arthur Geinger and Robert Male. Mr. Ragains was born April 1, 1886, in Kansas, coming to this country at the age of one year. Besides his widow, he is survived by two daughters, Laura, aged 15, Hazel, aged 13, two half brothers, James and Levi Eldridge, of Pilot Rock, and three sisters, Mrs. Melissa McElroy, of Walla Walla, Mrs. Cora Case, of Pendleton, and Mrs. Ida Smith, of Rodyard, Montana.

ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets you can take them without fear for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago, and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of the Monoaceticacidester of Salicylicacid.

RIETH SCHOOL WILL OPEN SEPTEMBER SIXTH

RIETH, Aug. 25.—Mrs. Draper and two little girls of Pendleton, spent Sunday with her sister, Mrs. J. M. Harrison.

Miss Cassidy of Pendleton was calling on her father, Lee Cassidy, Saturday.

The sheriff was in Rieth Saturday trying to locate a man and woman who had escaped them in an automobile.

Harry Grant was in Pendleton Saturday evening.

Mr. and Mrs. Fred Hannan and babies and Mr. and Mrs. Wasson and sons Kenneth and Ernest, spent Sunday at the home of Mr. and Mrs. R. J. English, parents of both Mrs. Hannan and Mrs. Wasson.

Mr. and Mrs. W. W. Sluder and daughter, Ruth, spent the evening in Pendleton Saturday.

Mrs. J. M. Harrison and daughter, Haroldine, and William Harrison motored to Pendleton Saturday evening and were guests of Mrs. Harrison's mother and sister.

Lee Cassidy was a Pendleton visitor Saturday.

Wesley Thomas, a colored man whose house was robbed Saturday, was pretty badly excited over the affair and has declared his intention of putting stronger locks on his door, also keeping a better lookout for strangers.

Thomas lives in a box car near the depot and owing to the location he is rather "chummy."

Mr. and Mrs. English spent Saturday evening in Pendleton as guests of their daughters.

Mr. and Mrs. Lewis McNeal and babies and Mrs. Clayton May were Pendleton visitors Sunday.

Mrs. Daches and her two sons arrived on No. 17 Monday from La Grande. The Daches have returned to Rieth and will occupy one of the Modesto houses this winter.

Mrs. Fred Peters returned home Monday from Portland where she and her little son had been visiting for a few days.

Max Livingston was slightly hurt Monday and narrowly escaped a serious injury while working at the P. P. E. when a piece of ice became dislodged and fell, striking him in the back.

OLD BUFFALO TRAILS OF CANADA FORM NEW ROAD

WINNIPEG, Man., Aug. 25.—(I. N. S.)—"A nation in as strong as its roads," said a highway's expert discussing Canada's comprehensive program which is turning twisting buffalo trails into a network of white-ribboned roads.

New market channels for crops are being opened in Western Canada. Hundreds of light trucks loaded with produce now chug over the countryside. New roads have saved the farmers millions of dollars by making short cuts to market.

In the last year municipalities of Manitoba, according to a recent survey spent \$2,452,594 on highways. The government financial aid amounted to \$1,194,512. The municipalities previously had spent \$5,000,000 and the government \$2,000,000. A thousand miles of roads and 130 concrete bridges have been constructed in 12 months. Expenditures this year will be twice as large. Every farmer in the rich agricultural districts rapidly being settled is a good roads enthusiast. Work is being pushed this summer.

Saskatchewan is carrying out an ambitious program that will give the province 1607 miles of paved highways fifteen feet wide. The campaign is costing \$24,000,000.

The Banff-Lake Louise road, a link in the Through-the-Rockies chain, has just been completed. The Canadian government appropriated \$20,000,000 for roads. It is intended to cover a period of five years. The provinces initiate the project and, on approval, the government pays 40 per cent of the cost.

The greatest immediate benefit is to the farmers in moving their bumper crops to market.

Catarrah Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. **Catarrah Deafness** requires constitutional treatment. **HALL'S CATARRH MEDICINE** is a constitutional remedy. **Catarrah Deafness** is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. **HALL'S CATARRH MEDICINE** acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.
