

COLUMBIA COLLEGE HAS SUCCESSFUL RECORD COVERING 21 YEARS; NOW STRONGER THAN EVER IN FACULTY

Umatilla County School Has Rank of Standard College; Musical Department Good.

Aug. 27.—Perhaps the citizens of Umatilla county, outside of Milton, lack a full appreciation of the value of Columbia College to the county and to the state. This school has had a successful career of twenty-one years and is now entering upon what indicates to be the greatest year in its history.

Goulds at Atlantic City

George Jay Gould, Jr., and his wife on the beach at Atlantic City.

It is a select school for both sexes and is under control of the Methodist church, although it is not sectarian. Its object is to give the best in education, under strictly wholesome influences, at the lowest possible cost. It has an endowment, and has \$19,000 donated to it each year by its church board, thus making the expenses to the student much less than in many schools.

Lately the school has been raised from a Junior to a Standard college, and its credits are accepted in all the great universities of our country without re-examination. It takes the student from the first year of high school work through the full four years, and also four years of the regular standard college courses. In addition, it has one of the finest musical conservatories in all the northwest—Piano, Voice, Violin, Saxophone, Cornet and other wind instruments, with experts in all departments. It carries also a school of Expression, a Business College, Domestic Science Department, and everything required in a select school of high grade.

The new catalogue shows an unusually strong faculty of twenty members, and will cost the college trustees \$10,000 more than the faculty cost last year. Rev. H. S. Shangle is the president. He was educated at Vanderbilt University, and for thirty years has been a leading factor in Oregon's church and educational work. W. C. Howard, A. B., is dean. Prof. Howard is a well known figure of this county and state, having been connected with the public schools of the country for many years before going to Columbia. He has an enviable reputation as an educator. I. B. Sevy, A. B., for several years superintendent of the public schools of Milton, has been engaged as teacher of English for the coming year. He is one of the strong teachers of the state. Other teachers are Maxwell R. Stewart, an A. M. of the Northwestern University, Chicago. He will have charge of the Department of

Mathematics and also of Athletics; Paul L. Day, A. B., Science Department; Miss Marguerite McKivven, A. B., Northwestern University, Modern Languages; Miss Gladys Duthie, A. B., University of Idaho, Psychology, Teacher-training; Miss Marylee Jenks, A. B., Oregon State Agricultural College, History and English; Rev. C. A. Rexroad, M. A., Biblical History; Mrs. Lucy M. Sullivan, A. B., Business College; Mrs. I. B. Sevy, B. S., Domestic Science; Miss Florence Kurth, A. B., School of Expression; Miss Frances Henry, A. T. C. M. Toronto Conservatory; Head of Piano Department; Miss Henry is a concert pianist and specialist in interpretation of music, and has coached for teachers in both Berlin and Paris. Oregon is fortunate in securing her services. Madame M. B. Henry, graduate of the Berlin Conservatory of Music, is also teacher of piano, and specialist in technique. Miss Norma Coyle, graduate of Columbia's Conservatory of Music, will also teach in the piano department. She is an experienced and popular teacher. Mrs. Gwen Howells, Mus. G. School of Music in London, will again have charge of the violin department. Her three years with this school has won for her many honors. Mr. J. A. Winther will have charge of the voice department. Mr. Winther brings to his work thorough preparation in the best schools of music in America and has had many years of experience as a voice teacher. Mr. Frank Heric, late bandmaster in the United States army, will have charge of the department of wind instruments and of band music. Altogether, Columbia college and the citizens of Umatilla county should count themselves fortunate in having such a faculty for the coming year.

Young men and young women who contemplate going from home for special training would do well to write the president at Milton for a catalogue of Columbia College. Why go so far away when you have such a splendid school at your very door?

HEALTH FOR WORKING GIRLS

Those Who Suffer and Are Unable to Work Need Helpful Suggestions

Springfield, Ill.—"I had periodic trouble with weakness, cramps and back-ache and I could not work. A neighbor recommended your medicine and I took four bottles of Lydia E. Pinkham's Vegetable Compound. I am now strong and well, able to work, and recommend your medicine to my friends."—ANNA RIMKUS, R. R. No. 8, Springfield, Ill.

Why will girls continue to suffer month in and month out as Miss Rimkus did when case after case is related where Lydia E. Pinkham's Vegetable Compound has removed the cause of the trouble and brought good health. For more than forty years this old fashioned root and herb medicine has been the standard remedy for such ailments, and has the record of having restored more suffering women to health than any other medicine.

If there is any complication about your condition you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, in regard to you.

HIGH MARKS SET BY BUICKS IN AUGUST

Five thousand eight hundred Buick cars were shipped from the factories at Flint, Michigan in the twelve full shipping days of the first half of August, according to announcement by the Buick Motor Company. This figure represents an average daily shipment of 483 1-4 cars of all models.

High point shipping days were August 3, when 635 cars left the factory and August 15, when 624 were placed in transit. Of the 634 cars shipped August 15, a total of 615 were loaded in box cars, representing 201 box car loads of Buicks.

Following upon the excellent sales results and deliveries accomplished in June and July, the Buick company regards the shipment of 5890 cars in the first twelve shipping days of August as a positive indication of the healthy condition of the automobile industry. The figures are additionally significant in that they represent not only a well maintained but a steadily increasing demand from the purchasing public.

Buick's production schedule for August was set at 12,000 cars and the factory manufacturing records indicate the company is swinging along at a pace which will more than meet this schedule.

Why Is He Sad?

The gentleman is "Prohibition." That's a new character in the screen version of "Experience," played by actor King. Well, if prohibition isn't a new experience now it soon will be.

One Quality-One Price

Firestone

Again Reduces Price

Extra Size 30x3 1/2 \$16.65

Now \$13.95

Firestone first made the low price of \$13.95 on the Standard Non-Skid, May 2. Unusual purchasing power through big volume of business, and the great efficiency of its \$7,000,000 Plant No. 2, manufacturing exclusively 30x3 1/2 size, made this possible. Now, the production of the Extra-Size 30x3 1/2 tire has been transferred

to Plant No. 2. This permits the price reduction on this tire from \$16.65 to \$13.95. No such value has ever before been offered tire users. If your dealer hasn't the Extra-Size in stock ask for our Standard Non-Skid type at the same price. You will still be getting an unusual tire value.

Cords That Don't Blow Out

You feel secure on Firestone Cords. Because Firestone Cords don't blow out. Your repair man will tell you he hasn't seen a blowout this past

year—10,000, 15,000 and 20,000 miles, and the tires still going strong. See your Firestone dealer today. Name below.

Firestone Cord Tires are being sold at lowest prices in cord tire history: 30x3 1/2—\$24.50 22x4—\$46.30 34x4 1/2—\$54.90
