Bears Start Another Recession of Values.

NEW YORK Sept. 1.—(A. P.)—The stock market yesterday forfeited a considerable part of its recent substantial recovery. This was attributed to the absence of new constructive forces, which provoked a renewal of bearish aggressions. Contrary to promises held out Tuesday the money market developed greater firmness. The official rate for call loans opened at 5 per cent and this was increased to 5 1/2 per cent in the final hour. There also was a distinct contraction of time funds, although these rates were unaltered. Additional July statements of railroad earnings were mainly favorable, but investment transportation was unresponsive, especially the Hill group and leading coalers. Other deterrent factors included a survey of general business conditions, which indicated stabilization of prices was still in progress, especially as applying to the steel industry.

Early stock market prices were irregular. Later dealings were characterized by the erratic fluctuations of Mexican Petroleum, which finally closed at a slight recession, and the strength of Studebaker. United States Steel and independent shares of that class, as well as equipments, secondary motors, shippings, coppers and many speculative issues of indefinite description, registered irregular net declines. Sales were \$25,000,000.

Buying of British and French bills to cover September maturities, as well as speculative accounts, imparted variable strength to foreign exchanges. Demand sterling was 4 1/2-2 cents above its recent low and guilders again was conspicuously strong. Liberty bonds were firmer and trading in bonds, almost as a whole, widening with recoveries in some of the local traction. Various convertibles rose from large fractions to 1 1/2-2 points. Sales, par value, \$9,700,000.

Wheat Closes at Firm Prices.

CHICAGO, Sept. 1.—(A. P.)—Wheat made a firm finish on the board of trade yesterday. Houses with export connections took the surplus when the extent of export business at the seaboard was given out, shorts started a covering movement which carried prices sharply higher. The close in wheat found prices 2 1/4 to 2 1/2 cents up, corn 1-1c to 1c higher and oats 1 1/4c lower to 1-1c higher. There was considerable pressure early, but offerings were readily absorbed and prices advanced to above Tuesday's finish after being off around 1c early. A break of 3 cents

A BIT OF CHINESE WISDOM
To dwell in the wide house of the world; to stand in true attitude therein; to walk in the wide path of men; in success, to share one's principles with the people; in failure, to live them out alone; to be incorruptible by riches or honors, unchangeable by poverty, unmoved by perils or power—these I call the qualities of a great man.

ALTA TODAY
Phyllis Haver is going the way of other celebrated beauties of the Mack Sennett Bathing Girl Brigade. She is donning with vast credit the skirts of conventional roles and is even appearing in the grotesqueries of hilarious fun. In "Home Talent," Mack Sennett's newest Associated Producers production, at the Alta theatre, Miss Haver does both. She is seen in her radiant self, and she is seen also in a fantastic, comic part in which she assumes the role of the daughter of a country-hotel landlord, Charlie Murray, of course.
The story leads Miss Haver logically from the rags and squalid duties of a "slaves" of romantic turn of mind, to the gorgeous expression of an aristocratic slave brought to Rome for
