**WHEAT**—The action of the market today was highly encouraging to those with bullish tendencies, not only because the market advanced but on account of the remarkable improvement in buying power. After the first upward spurt a large volume of profit taking took place and the offerings were absorbed in an impressive fashion. Cash premiums in Minneapolis and Winnipeg were again lower but considering the amount of cash pressure on these markets the demand was good. Private estimates have cut the crop down to 749,000,000 bushels, and the trade seemed to take the reduction very seriously, appreciating that with approximately 90,000,000 bushels already cleared from the seaboard or held for shipment abroad, an acute situation is likely to hold until the initial movement of spring wheat is out of the way, at any rate it is very evident that the bullish situation is going to assert itself earlier than the general trade expected.

## NERVOUS FAINTING SPELLS

Mrs. Werner Tells How They Yield to Lydia E. Pinkham's Vegetable Compound

Camden, N. J.—"Before my baby was born I was run down and weak, had pains in my back and stomach, was very nervous and would have fainting spells. I certainly suffered awfully with those nervous fainting spells. I did not know anyone at times and used to scream. A doctor treated me for the spells but did not seem to do much good. I had taken Lydia E. Pinkham's Vegetable Compound and Liver Pills before so I began taking them again. I soon felt a change and could do my work without pain and was cured of those nervous spells. Now I have a nice fat baby girl and had an easy time at birth, thanks to Lydia E. Pinkham's Vegetable Compound."—Mrs. WILLIAM C. WERNER, 1216 Van Hook St., Camden, N. J.

When a wife finds her energies are flagging, she is weak, nervous, suffers from backache, the "blues" she should build her system up at once by taking that standard woman's medicine, Lydia E. Pinkham's Vegetable Compound, as did Mrs. Werner.  
If there is anything about your condition you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Mass., in regard to your health.

### A GOOD FRIEND

A good friend stands by you when in need. Pendleton people tell how Doan's Kidney Pills have stood the test. Mrs. M. A. L. Ellis of 310 E. Bluff St. endorsed Doan's four years ago and again confirms the story. Could you ask for more convincing testimony?

Mrs. Ellis, 310 E. Bluff gave the following statement May 17, 1916: "Whenever I feel in need of a kidney medicine I take Doan's Kidney Pills and they always give splendid satisfaction. I am subject to kidney disorders at times but after I have taken Doan's Kidney Pills for a week or two I feel as well as ever. I can conscientiously recommend Doan's and I know they are a remedy of merit."  
On June 17, 1920, Mrs. Ellis added: "I gladly confirm all I said in 1916 praising Doan's Kidney Pills. Since that time I have been free from kidney complaint and I give Doan's the credit for curing me. I always praise them and I know I owe my present good health at my advanced age to them."
