

# People Here and There

H. H. Pomeroy, chief deputy sheriff of the state, was here today on a business trip.

Good crops and fairly good roads have been seen by Pat Connelly, Drewsey, Oregon, sheepman, who was in Pendleton yesterday. Connelly has just completed a tour of Idaho, Washington and Oregon.

There were more than 6,000 students in attendance at the summer terms of the University of Chicago, J. A. Yeager, principal of the Adams school reports. He has just returned from his work there, and is ready for his duties here.

Umatilla county looks mighty good to one of her sons who has been away just long enough to know how to appreciate home. D. R. Brownell has been in California since May on a visit. He was in Pendleton yesterday from his home in Umatilla.

## WAR FINANCE LOANS

(Continued from page 1.)

San Francisco National bank, Helena. Owing to the brief notice of the meeting, the committee chairman from San Francisco and Los Angeles were unable to attend. It was necessary to hold the session yesterday because of the urgent need of Mr. Thompson's presence in Washington, D. C.

The chairman present are heads of committees which will pass upon applications for agricultural and live-stock loans on behalf of the war finance committee. They discussed general plans and details and familiarized themselves with the plans of the committee and discussed the tentative forms for applications and statements required by the board at Washington.

All applications for loans will come through the local committees who will submit them with their recommendations to the board at Washington. Proceeds of the loans will be paid through the respective banks, loan companies and co-operative associations, through federal reserve banks or their branches, who will act as fiscal agents and will be custodians of paper and security.

## LOOKS THE PICTURE OF PERFECT HEALTH

### Portland Woman Says Nobody Knows How She Suffered for Many Years.

"No one but myself knows what I suffer from nervousness and indigestion for many years, but, thanks to Tanlac, I am in perfect health now," said Mrs. Bertha Carlson, 694 Quincey St., Portland, Ore.

"I had so little appetite I had to force myself to eat enough to keep alive. My kidneys were all out of order and my back hurt me like it would break in two. I was so nervous I couldn't get any restful sleep and in the mornings would drag myself out of bed, feeling weak and miserable.

"Since taking Tanlac I have a splendid appetite, and although I eat three hearty meals a day my stomach never bothers me at all. My friends tell me that I am the picture of health, and I know I never felt better in my life than I do now. I cannot help having faith in Tanlac and have started my 'son taking it.'"

Tanlac is sold in Pendleton by Thompsons' Drug Store and by leading druggists everywhere.

## TWIN BABIES PLACE THEIR DADDY IN VERY EMBARRASSING POSITION

BOSTON, Sept. 7.—(U. N. S.)—City Housing Commissioner Herbert E. Ellis is confronted with a new problem.

A little over a year ago a young married couple occupying half of a two family dwelling in Roxbury were blessed with a baby boy. Their landlady then notified them that if another addition to the family came they would have to move. Ellis was called to the telephone by the young husband.

"What'll I say to the landlady now?" came over the wire from the young husband. "We've just had twins!"

"The landlady is probably an over-comer with the shock she won't do anything," replied Ellis.

UTICA, N. Y., Sept. 7.—(U. N. S.)—Passing to friends here a small celluloid case, a traveling salesman caused them to wonder. The salesman then produced a reading glass, under which was seen the merest speck, which on inspection proved to be a brass screw.
