

News Notes of Pendleton

CALENDAR OF EVENTS
 August 26-30—Water First Aid course at City Natatorium.
 Direction of Joseph C. Hedgen.
 September 19—Hermiston Experiment Station Field Day.
 September 19-24—Northwest Grain and Hay Show.
 September 22, 23, 24—Annual Pendleton Round-Up.
 October 7-8—Seventh Annual Dairy and Hog Show, at Hermiston.

Mrs. Stanley Dies.
 Mrs. Verlita Stanley, daughter of Mrs. A. J. Amoureux of this city, died in Salem yesterday after a long illness. The body will be brought here for burial.

Will See Round-Up.
 A. W. Tracy, general secretary of the Theodore International Highway association, writes that he and President Koll will see the Pendleton Round-Up this year. They are now at a meeting of the International Association at White Fish, Montana. During their stay here they will be guests of the Eastern Oregon Auto Club.

Attractions Are Added.
 A number of entertainment features have been added to the program for the Hermiston Dairy and Hog Show to be held at Hermiston October 7 and 8. In addition to the premiums for dairy cattle, hogs, horses, farm produce, fruit, honey, boys' and girls' club work, there will be several interesting contests. Among them will be the greased pig contest, horse races, foot races and football games.

C. S. Wheeler Returns.
 C. S. Wheeler, pioneer Pendleton photographer, has returned to Pendleton to take personal charge of the Wheeler studio, which during the past year was leased to Struck Aune, Mr. and Mrs. Wheeler and niece, Miss Lois Swaggart, have been touring Oregon and California by motor. Mr. Aune will in future have charge of the Grove Studio in Portland and left for that city several days ago.

To Tell How Bread Is Baked.
 Each individual loaf of bread entered in the bread baking contest at the high school September 22, during the Northwest Grain and Hay Show, is to be accompanied by a story of how the loaf of bread was baked, says Mrs. Edith G. Van Beusen, home demon-

stration agent. The story may be written in outline form or may be a simple paragraph of the process and the complete directions followed. It should not be over 250 words in length but should be much shorter. This contest is open to any girl between the ages of 9 and 15. The bread may be mailed to the home demonstration agent, box 541, Pendleton, or brought to her office in the Federal building if it is not convenient to deliver it at the high school the morning of the contest. The bread will be judged in the cafeteria and will be put on display at the Grain and Hay Show after the judging is completed. The girls in the county who bake bread at home are urged to send in a loaf. The first prize is \$10, the second is \$7.50, the third is \$5 and the fourth is \$2.50.

Banners for Cars.
 The Pendleton Round-Up Association has a limited number of Round-Up banners which will be given away to Pendleton people who call at Round-Up headquarters. They are for use on cars.

Boy Kills Bear.
 George Sevey, aged 14, the son of Mr. and Mrs. Thomas Sevey, bagged a 500 pound brown bear yesterday near Huckleberry. This is the youngest's first experience as a hunter and he is proud of the kill.

For Shooting Pheasants.
 A fine of \$25 and costs was assessed against S. H. Walker yesterday when he was arrested by W. H. Albee, deputy game warden on a charge of shooting Chinese pheasants. Walker is a resident of Pilot Rock.

Excavating for Tank.
 The work of excavating for the gasoline tank which will be installed by the Oregon Motor Garage was started yesterday morning in front of the garage on Court street. The work will be rushed to completion as rapidly as possible.

Will Be Initiated.
 Fred Earl and Ben Cresswell will be initiated into the mysteries of the Shrine tonight in Portland. Mr. Earl and Mr. Cresswell left for Portland yesterday. Rex Ellis, Cecil Cole and David H. Nelson are among the Pendleton Shriners who will see the ceremonies at Al Kader temple.

Y. M. C. A. Man Here.
 W. W. Dillon, inter-state secretary of the Y. M. C. A. organization for Idaho and Oregon, with offices at Portland, was a visitor in Pendleton today. Dillon came here from Portland and left this evening for Couer d'Alene, Idaho. While here he was in conference with Judge J. W. Maloney who is the Pendleton representative on the committee of 45 from the two states.

Western Auto Co. Robbed.
 A daylight robbery made Monday morning between the hours of 9 o'clock and noon resulted in a loss to the Western Auto Co. of between \$175 and \$180 in cash and checks that brought the total loss up to \$470. While the office was temporarily deserted, the robber entered, took a wallet from the unlocked safe and succeeded in escaping. Local talent is believed to have been responsible for the work.

Enrollment is High.
 The enrollment in the high school, according to figures compiled yesterday evening, show that there are 280 students registered for work. This is in excess of the number who were enrolled at the end of the second week last year, and there are several more who are expected to start within the next few days. Work on the girls' glee club and the boys' glee club, in dramatics and for orchestra members has already been started.

Many File Applications.
 A total of 28 veterans of the late war have filled their applications for either loans or cash from the state, a report by P. L. Idleman shows. Of this number, 27 are seeking loans and 11 are after cash. An interesting fact is shown in that of the 28 who have been first served by Idleman, and Cyril Proebstel and Earl Williams, 21 are not members of the American Legion. The making out of applications will continue until all the veterans have been able to fill their proof of service blanks.

Died at Salem.
 Mrs. Vernita Stanley, 22 years old, who died Tuesday at the hospital at Salem, is well known in Pendleton. The funeral services will be held at the Catholic church Friday afternoon at 3:30 o'clock. Mrs. Stanley came here 11 years ago and grew to womanhood in Pendleton. She is survived by her father and mother, Mr. and Mrs. A. J. Amoureux, her little daughter, Beryl Jean Stanley, four sisters, Mrs. Orval Brown of Hoquiam Wash., Mrs. W. A. Hanna of Portland, Nadine Amoureux, Mary Toy, and two brothers, Homer and Alfred.

Mrs. Case Dies.
 Mrs. Elizabeth Case, aged 29, died yesterday afternoon at St. Anthony's hospital after a brief illness. She was born in Umatilla county and was married in 1911. She is survived by her husband, R. E. Case, three children, Irene, Vernon and Clinton, her parents, Mr. and Mrs. A. E. Hanna, a sister, Mrs. Ed Carney and three brothers, A. B. Hanna, Jr., J. R. Hanna and Charles Hanna. Funeral services will be held tomorrow at 2:30 p. m. from the Polson chapel. Rev. George L. Clark, pastor of the Presbyterian church, will officiate.

Card of Thanks
 We wish to express our most sincere thanks to the many kind friends who so generously contributed their assistance during our sad bereavement and loss of our beloved daughter, Yvonne. Also to thank them for the beautiful floral tributes received.
 MR. AND MRS. M. MANNING

ASPIRIN
 Name "Bayer" on Genuine

Beware! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago, and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Drugists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.

BELGIUM TRIES TO CONSERVE CHILDHOOD

WASHINGTON, Sept. 8.—(U. N. S.)—Belgium is working out a program for the conservation of childhood according to information reaching the Children's Bureau of the Department of Labor. How intelligence, determination and united effort triumph over conquest, war and famine is vividly portrayed in a paper read at the second International Conference on the Protection of Childhood, recently held in Brussels, by Dr. Rene Sand, of the University of Brussels, a copy of which has reached Washington.

According to this paper, even during the years of occupation, when the Government had left Belgian soil and the only central co-ordinating agency was the voluntary Comite National, public health activities were started on a hitherto unknown scale, and for the first two years there was an actual decline in infant mortality. Dr. Sand accounts for this in part by the cessation of industrial work for women.

Retarded Full Year.
 The average Belgian child was, at the time of the armistice, one full year backward in normal development; the weight of the average Brussels schoolboy was three pounds below normal, while the average school-girl was seven pounds below normal.

The first step in the medical reconstruction of industry was the establishment of an independent Labor Medical Service, which includes in its functions the protection of expectant mothers and nursing working women and the care of the health of working children. The service immediately formulated a constructive programme which enlisted the co-operation of all agencies concerned in the promotion of public health, including the health of working mothers and their children. In the United States eighteen States provide for the physical examination of every child entering industry, but no state has provided for examinations of working children at regular intervals. Belgium has adopted the advanced programme of medical examination for every juvenile not later than a month after it has entered an industrial occupation, to be repeated once a year until the child reaches eighteen, and oftener in case of disease.

Working Youth Protected.
 Belgium has realized that health protection in the community must go hand in hand with health protection in industry, and Mr. Sand emphasizes the following points: General public health work, child welfare, housing, the restriction of alcohol consumption and education and recreation both for adults and children.

A national children's board has been established, which is maintained by public and private funds. The child welfare programme includes the periodical free examination of children under three years of age, brought by their mothers for examination; the establishment of free medical dispensaries for expectant mothers, the diffusion of knowledge relating to infant health and maternal nursing, and the supervision of boarded-out children under seven years of age. The cost of child welfare work is borne one-half by the state, one-fourth by the province and one-fourth by the municipality.

SUFFERED SIX YEARS

Mrs. Stoll Tells Women How She Found Relief From Pain

Philadelphia, Pa.—"I suffered for six years with pain every month, bad vomiting spells the first two days, and was unfit to do my work. I read in your little book about Lydia E. Pinkham's Vegetable Compound and took the medicine with satisfactory results. I am a midwife and recommend the Vegetable Compound to my friends and my daughters take it. You may publish these facts as a testimonial."—Mrs. LOUISE STOLL, 609 W. York St., Phila., Pa.

It is not natural for women to suffer as did Mrs. Stoll, and in nine cases out of ten it is caused by some displacement or derangement of the system which Lydia E. Pinkham's Vegetable Compound overcomes, because it acts as a natural restorative.

Every woman who is subject to cramps, headaches, nervous spells, backache or those dreadful bearing-down pains should profit by Mrs. Stoll's experience and give Lydia E. Pinkham's Vegetable Compound a trial, and if there is any complication write to Lydia E. Pinkham Medicine Co., Lynn, Mass., about her health.
