WEDDING IS SOLEMNIZED

At a 6:30 o'clock church wedding Wednesday morning at St. Mary's Catholic church, Miss Mabel Schiller, of Boise, Idaho, became the bride of Antonio Vey, Jr., of this city, Father Van Hoomisson officiating.

The bridal party entered to the strains of the wedding march played by Miss Stella Rodin, and preceding the ceremony Mrs. Clement McCoy sang "I Love You Truly." The bride wore a smart frock of brown satin with overdrapes of lace in the same shade, worn with hat to match. She carried a bouquet of bride roses. Miss

Mamie Vey, sister of the groom, was maid of honor, and wore a gown of black satin and gray lace, with hat of the same tones. Joseph Light, cousin of Mr. Vey, was best man.

Following the ceremony, a wedding breakfast was served at the home of Mr. and Mrs. Antonio Vey, Sr., parents of the groom. A profusion of asters were used in decorating and centered the table, at which were seated the bridal party and other guests, among them Father Van Hoomisson, Miss Anna Vey and Mr. and Mrs. Joseph Cunha. Later Mr. and Mrs. Vey left for Portland and Vancouver, B. C., on

a wedding trip. After their return they will make their home on the Vey ranch.

Mrs. Vey is a charming girl and is the daughter of Mr. and Mrs. Paul Schiller, of Boise, Idaho, where she attended school. Mr. Vey is a well known Round-Up performer. He is associated in the stock business with his father.

Pop Corn

A specie of one of the world's most wholesome foods. The corn family can easily be traced back to the days of Joseph and further if we choose. For food value it is great. Whole armies have lived on parched corn for weeks. A food that is good for a soldier is good for any one. I have the finest Pop Corn I have ever seen. I pay three times as much for the corn I use as the ordinary corn costs but how can I do otherwise when I promise the people the best that can be had?

I sell the largest 5c sacks in the city. The corn I pop in my Cretaro machine is the best breakfast food I ever used. Just try some of it for your breakfast.

The best on earth for quality corn and peanuts.
