**Mrs. Williams Tells How Lydia E. Pinkham's Vegetable Compound Kept Her in Health**

Overpeck, O.—"Lydia E. Pinkham's Vegetable Compound helped me both before and after my baby was born. I suffered with backache, headache, was generally run down and weak. I saw Lydia E. Pinkham's Vegetable Compound advertised in the newspapers and decided to try it. Now I feel fine, take care of my two boys and do my own work.  
I recommend your medicine to anyone who is ailing. You may publish my testimonial if you think it will help others."  
—Mrs. CARRIE WILLIAMS, Overpeck, Ohio.

For more than forty years Lydia E. Pinkham's Vegetable Compound has been restoring women to health who suffered from irregularities, displacements, backaches, headaches, bearing-down pains, nervousness or "the blues." Today there is hardly a town or hamlet in the United States wherein some woman does not reside who has been made well by it. That is why Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for such ailments.
