They will give unusual satisfaction because they are scientifically strengthened wherever needed and every pair is guaranteed. They're priced remarkably low, from, pair ..... 29c to 59c

**"When Shall I Make My Fall Selections"**

Naturally the question would be followed by the thought of where will be the shop that continually keeps its stocks "Right-up-to-the-Minute"—the shop that clears out its past season's wear—the shop where all chance is eliminated, the chance of its being a last season's garment.

Our carefully kept ready-to-wear department offer you the newest and nothing but that class of garments. At prices that are strictly in accord with good, reliable wear and prices that meet the popular demand.

During the Round-Up shopping visit our fine Ready-to-Wear Department.

**Always New Clothes--**

THAT HAVE THE BEST FEATURES OF STYLE AND LONG WEAR

"That sounds just exactly like Hart Schaffner & Marx advertising," said the father of the family. It's not even necessary to look for the picture for the reading of these advertisements goes exactly with the features of the Hart Schaffner & Marx clothes.

Carefully made, insuring long wear. The leaders in correct styles.

The big store is glad to announce a complete stock of Suits and Overcoats.

Our Boys' Department also features Hart Schaffner & Marx Clothes.

**The 7 Day Grocery Carnival Goes ON**

And each day proves just as popular as the day preceding, with its price reductions on just the needed every day things.

| TEA  | BROOMS | GOLD DUST |

On which we have placed prices that will allow substantial savings.

**WHAT IS NEW IN MILLINERY FOR FALL 1921**

The styles in millinery for this season tend to favor the large picture hat, though by no means are the small shapes discarded. In crowns alone, ideas are exceedingly varied; and in the majority of the shapes, the brims either roll gradually away from the face, or are flat and straight. Conspicuous is the black dressy hat with its large shape enhanced by its trimming of black or colored ostrich plumes. For coverings, satin, crepe silk, hatters plush, duvetyne and plain velvets are used. In shades, they are as varied and smart as the styles themselves. They are here, and your early inspection of them is invited.

THAT YOU MAY NOT BE MISTAKEN IN YOUR SHOE SHOPPING—We buy shoes only from those houses that will make good our complaints that we may reimburse you for any failure of your footwear. We adjust our prices to the quality of the shoes. We do not order any substitutes for real leather that we may reduce any price. We guarantee every pair of shoes sold by T. P. W.

PENDLETON'S GREATEST DEPARTMENT STORE
