# "When Shall I Make My Fall Selections"

Naturally the question would be followed by the thought of where will be the shop that continually keeps its stocks "Right-up-to-the-Minute"—the shop that clears out its past season's wear—the shop where all chance is eliminated, the chance of its being a last season's garment.

Our carefully kept ready-to-wear department offer you the newest and nothing but that class of garments. At prices that are strictly in accord with good, reliable wear and prices that meet the popular demand.

During the Round-Up shopping visit our fine Ready-to-Wear Department.

## WHAT IS NEW IN MILLINERY FOR FALL 1921

The styles in millinery for this season tend to favor the large picture hat, though by no means are the small shapes discarded. In crowns alone, ideas are exceedingly varied; and in the majority of the shapes, the brims either roll gradually away from the face, or are flat and straight. Conspicuous is the black dressy hat with its large shape enhanced by its trimming of black or colored ostrich plumes. For coverings, satin, crepe silk, hatters plush, duvetyne and plain velvets are used. In shades, they are as varied and smart as the styles themselves. They are here, and your early inspection of them is invited.

THAT YOU MAY NOT BE MISTAKEN IN YOUR SHOE SHOPPING—We buy shoes only from those houses that will make good our complaints that we may reimburse you for any failure of your footwear. We adjust our prices to the quality of the shoes. We do not order any substitutes for real leather that we may reduce any price. We guarantee every pair of shoes sold by T. P. W.

### UMAPINE CITIZENS TO HOLD SCHOOL RECEPTION

(East Oregonian Special.)  
UMAPINE, Sept. 22.—The Caning Club of the Vincent school at Umapine was the only canning club in Umatilla county to completely fill all requirements of the State Canning Club and as a result of their diligence in filling the required number of pint jars and vegetables with canned products and making regular reports, reports, and making out teacher reports.

etc., they go to Pendleton on Thursday and next week to Salem to attend the state fair where they will demonstrate their work. The club which has been under the supervision of Mrs. D. C. Saunders, gave their local demonstration Tuesday and have their work well learned. The three chosen by the local club to represent the Umapine club are Rebekah Kirk, Agnes and Hazel Saunders. Others of the club had their work well learned but had not canned as much in their own home. The girls owe the success of their venture to their instructor, Mr. Saunders who through hot summer weather devoted days to the work. On Saturday of this week the following local boys and girl left for the winter course at O. A. C.: Della Records, Paul Jones, Romina Kirk and Rufus Harp. Keith McDaniel leaves this Saturday for the same institution, having been delayed by illness. The Ladies Aid of the Presbyterian church met on Thursday with Mrs. Charles Hays. A short business session was held after which the hostesses served refreshments. The ladies meet next week, September 19, with Mrs. R. E. Bean.

On Friday night, September 22, the community is giving a reception for the teachers of this school. A program will be given, and the patrons of this district will please bring refreshments. Inquire of Mrs. Kirk or Caldwell for details. W. P. Leach of Portland is in Umapine this week looking after business interests. J. D. Harrah attended the meeting of principles of the county at Pendleton on Saturday. D. C. Saunders left this Wednesday for Portland where he goes for medical treatment. In all probability, Mrs. Saunders will follow him within the next week. At the first regular meeting of the student body of the Vincent high school Miss Dealtry Bean was elected commissioner of public improvements, which includes the office of editor in chief of the Vincent Zip, the high school paper. The appointed officers are: Associate editor, Everett Carpenter; business manager, Ralph Jones; circulation manager, Donald Kirk; news editor, Viola Leroux; sport editor, Spencer Coplen; joke editor, Gladys Records; society editor, Irene Moon. The Zip is issued once a month by the V. H. S. and the subscription price is 50 cents the semester and last year had over 400 readers. The high school has organized a basketball team, of which Gladys Records has been elected business manager and Dealtry Bean, captain. Rev. and Mrs. McAfee Wilson are spending this week with Mrs. Wilson's sister, Mrs. Judge Kelly of Prosser. The auction sale at E. H. Miles' ranch on Tuesday afternoon, was well attended and the owner realized fair prices for his farming implements while his dairy herd brought prices ranging from \$50 to \$100 for grades and from \$100 to \$250 for the top pure bred cows. Considering the times these are considered good prices as the stock was not in a condition. Mr. Miles leaves immediately for his new home in central Oregon.

### ORGANIZATION OF P. T. A. AT RIETH DELAYED

(East Oregonian Special.)  
RIETH, Sept. 22.—The organization of the Parent Teacher Association was postponed for two weeks owing to the fact that the announcement for the meeting last Friday had not had enough publicity.
