PENDLETON PIGSKIN PUSHERS WILL PLAY FIRST GAME AT HOME

Kenewick Coming Saturday
for Try With Locals; Fast
Teams Among Opponents.

A schedule of eight games, and one extra session for the second team on October 22 when a double-header will be staged here, has been completed by Manager Vernon Fowler of the Pendleton high school football team. There is still one open date, October 8, and if an opponent is found to play then, the locals will have nine games to run off during the season of 1921.

The schedule shows that there will be no time for loafing for the locals. Several of the old time opponents who would like nothing better than to take Pendleton into camp, will have a chance to do that very thing this year. Chief in the lists are La Grands, Baker, Walla Walla and The Dalles.

Four of the games will be played away from home, and four of them here. The schedule follows:

Oct. 1—Kenewick, here.
Oct. 5—Open.
Oct. 14—Walla Walla, here.
Oct. 22—Enterprise, here.
Oct. 22—Hermiston vs. second team, here.
Oct. 28—The Dalles, here.
Nov. 4—Athena, here.
Nov. 11—Baker, here.
Nov. 18—Milton, there.
Nov. 24—La Grands, there.

LOCAL STUDENT AND HIS PET ATTRACT ATTENTION ON O. A. C. CAMPUS

OREGON AGRICULTURAL COLLEGE, Corvallis, Sept. 27.—Louis Gervais of Pendleton and his cinnamon bear are creating a lot of excitement on the campus these days. Gervais took the animal out for an airing the other day, and before he had traveled a block scores of students crowded around the bear.

"What is his name?" asked a curious "trookess."

"His name is Mary" replied Gervais, keeping a tight hold on the chain by which he was leading the bear.

The Pendleton student is anxious to see the attitude "Mary" takes toward the other students. "Mary" she will become permanently attached to the institution—not as a rug—but as mascot of the Alpha Pi Delta fraternity, of which Gervais is a member.

DEARTH OF OLD PLAYERS MAKES HANLEY'S JOB OF TURNING OUT WINNING TEAM DIFFICULT TASK

Speed and Fighting Ability Two
Requisites Mentor is Trying
to Instill in New Recruits.

If the Pendleton high school has a winning football team this year it will be because 11 men on the first team, and 11 men on the second team and every substitute who makes the squad and every student in the school is full of pep, speed and fight. Otherwise, Coach Dick Hanley who last year turned out a championship aggregation, figures that the chances of the locals to make a name for themselves won't be worth as much as a Happy Canyon "buck" would be to pay car fare to Kokomo.

A little survey of conditions will convince most anyone that the fussy mentor is not putting out "heat" talk either when he drops it that nothing in the world but the stiffest kind of fighting can put Pendleton High on the map in the popular sport.

Here is a sample of what he has to do in order to make victories sure: Build a team that can attack and defend with just two letter men to start with; and the material furnished by the new men is light in weight.

The first game of the season will be played here Saturday afternoon when the Kenewick, Wash., team will come to measure prowess with the locals. And up to the present, Hanley has had no time for anything except the barest rudiments of instruction in the game and in getting his men into tip-top physical condition. To make them fit he has resorted to rigorous setting up exercises, and on the field the order is to drive and drive and drive with speed and more speed as an objective.

The only veterans on the team are Captain Bill Kramer and Cahill. Kramer is showing lots of class in his position as half back, and if his team develops into a machine which will work as a unit the stocky lad shows promise of responding that will help to ground gaining for the locals. Cahill is making points for the quarter-back position. Other players who were on the squad last year are Rogers at tackle, Lawrence center and Snyder at end.

These is a lot of assembling material on the squad, too, but they are new men to the game and what brand of fighting they will put out can only be determined by the fans after they get into some real action against Husky opponents on a football field. Coach Hanley has not announced any lineup yet so nobody is sure of a position, and he has further specified that only the men who put out the Pendleton brand of fighting can expect to make good.
