### MINORITY NOT MAJORITY RULES SAYS GRIFFIN

CHICAGO, Oct. 3 .- (U. P.) -The minority and not the majority, rules in the nations in many cases, much to the detriment of good government, Joseph B. Griffin president of the Chicago board of trade, told the Grain Dealers' National Association today, "Minority groups organize to demand legislation often obtaining it, and generally at the expense of the unorganized," Griffin said. 'Small groups press legislation at the state and national capitol, which affect only themselves." Griffin's remarks were taken as a slap at those demanding the legislation for curbing the Chicago grain pit activities.
