

News Notes of Pendleton

CALENDAR OF EVENTS
 October 14, 15, 16, Umatilla
 County Sunday School Associa-
 tion Convention.
 October 22, County School
 Teachers' Institute at Pendleton
 High school.
 November 21, special city elec-
 tion.

Sheepmen Reduce Wages
 Another cut in the wages of sheep
 herders and helpers on sheep ranches
 has been made during the past week
 by Umatilla county sheep outfits.
 Wages for herders now are around \$50
 a month and board. The Clatsop
 Sheep Co. has cut to the bone and
 other outfits have been reduced. The
 wages were cut last spring after the
 close of the lambing season to a basis
 of between \$45 and \$75 a month for
 herders. With lambs worth \$2 and
 wool about 15 cents, local sheepmen
 declare that labor must share losses
 with them by accepting lower wages.

The supply of herders is said to be plentiful and no difficulty is being experienced in securing all the help needed. Sheepmen figure that the cut in wages, and the placing of more sheep in a flock, labor costs during 1922 can be reduced about 25 per cent.

Funeral Is Held
 The funeral of the late Levi Panning, aged 79, who died yesterday after injuries received in a runaway, was held at Echo this morning at 10 a. m. The body was brought here for burial and was laid to rest in Olney cemetery.

Journal Editor Injured
 R. F. Irvine, editor of the Oregon Journal, was painfully injured about the face yesterday morning when a car driven by J. D. Mickle crashed into a telephone pole on the Columbia river highway near Multnomah Falls. In company with other Portlanders, Mr. Irvine was on his way to attend a luncheon at the Columbia Gorge hotel. He was one of the speakers, and notwithstanding his injuries, he appeared

at the luncheon. He has appeared before Pendleton audiences several times, and announcement of his presence as a speaker at any event here is sufficient to attract a large crowd.

Rain Is Predicted.
 Rain is predicted by Major Lee Moorhouse, official weather observer. The barometer registers 29.55 today, and is lower than for some time in the past. The maximum temperature is 42 with a minimum of 37.

Former Citizen Visits
 Oliver Dixon, formerly a wheat rancher in the Athens vicinity, was in Pendleton yesterday. He sold his interests in this county last July and purchased a ranch near North Powder. He is now visiting relatives at Athens.

Observe Legal Holiday
 Quite a number of public offices were closed today on account of Columbus Day. All of the banks observed the holiday and the office of the city recorder was not open for business although Judge Thomas Fitz Gerald was present during the morning.

Excused From Entrance Test
 To be one of 22 students in a class of 600 freshmen at the University of Southern California excused from taking the entrance examination in English is a distinction gained by Lloyd Austin, son of F. P. Austin, formerly superintendent of schools here. Young Austin has been pledged to Sigma Alpha Epsilon.

They Had Luck.
 F. H. Hughes and Charles Hooper of the Pendleton Trading Co. have returned home after a hunting trip. The boys brought back three nice bucks with them, the largest weighing 215 pounds. They hunted on Johnson Creek. It is thought that their biggest buck has set a new record for size of any killed this year by local men.

Line Is Built
 R. A. Botcher, deputy forest supervisor, has returned after supervising the building of a telephone line from the Wenaha river to the Tucuman ranger station, a distance of 22 miles. Twelve miles of line were installed last year. One of the new "howler" devices was placed at Tucuman ranger station. The line gives communication from Tucuman to Dayton, Washington.

Rotarians Have Returned
 S. R. Thompson and Lester Hamley, president and secretary, respectively, of the Pendleton Rotary Club, have returned from Salem where a conference of presidents and secretaries from the district comprising British Columbia, Washington and Oregon was held Saturday. Mr. Thompson returned Tuesday morning, and Mr. Hamley came back this morning. They met John Taitte and Merle Chessman, Astoria representatives, at the conference. Mr. Chessman was called home just as the conference closed on account of serious illness in his family.

To Hold Luncheon.
 The first of a series of luncheons by the membership of the Eastern Oregon Auto club will be held Thursday at the Jolly Inn. The luncheon was originally planned for Friday, but on account in the shifting of the day of the Commercial Association luncheon, it will be held on Thursday this week. Good roads will be the chief topic of the meeting. It is thought that R. H. Beldock, highway division engineer, will be here, and L. J. Shannon, county roadmaster, will talk. Other talks will be given by local speakers. The luncheon will start promptly at 12:15.

Cattle Suffering
 Stockmen report that cattle on the Umatilla National Forest are falling off in weight due to the dryness of forage, says J. C. Kuhns, forest supervisor who with K. P. Cecil of the Portland office have returned after a trip over the greater part of the forest. The trip was made with a view to making plans for fire prevention for next season. The season varies on the forest, but Mr. Kuhns estimates that by the middle of October all the sheep will be off the range and by the end of this month, all the cattle will have been removed. Mr. Kuhns and Mr. Cecil supervised the installation of telephones at several ranger stations, as well as new wiring and new grounds.

They Returned Quickly
 A sample of small town sportsmanship was reflected yesterday on the part of two Walla Walla high school students when they appeared in Pendleton and were apparently bent on watching Coach Hanley work out his players in football practice. The presence of the two students was discovered early in the day by Principal A. Landreth, and he and the coach worked out a plan which resulted in the Walla Walla lads taking themselves back to their homes before practice time came. The Pendleton school authorities stated yesterday that the Walla Walla boys were not on the squad of the high school, and it is believed that they were out reconnoitering on their own initiative.

To Meet Thursday Night
 The following announcement has been made of a meeting which is to be held here Thursday night: "The law enforcement conference scheduled for three o'clock Thursday night will be united with the mass meeting at eight at the First Methodist church at 7:30 o'clock. It is reported that unusual interest is being manifested throughout in these county law enforcement conferences and mass meetings. Captain Elbert and Superintendent W. J. Herwig of the Anti-Saloons League are familiar with every phase of law enforcement and it is confidentially expected that the meeting Thursday night will be of great interest to the cause of the enforcement of prohibition in Pendleton and Umatilla County. Every citizen in Pendleton interested in law enforcement is urged to attend this meeting."
