

News Notes of Pendleton

CALENDAR OF EVENTS
 October 14, 15, 16, Umatilla County Sunday School Association Convention.
 October 22, County School Teachers' Institute, at Pendleton high school.
 November 11.—East End Fair and Apple Show.
 November 21, special city election.

Fined for Speeding
 Because he drove at a higher rate of speed than the law permits, R. Ahnest this morning enriched the strong box of the city to the extent of \$5.

Are on Committees.
 Miss Helen Nelson, Pendleton girl who is a student at University of Oregon, is a member of the reception committee for the annual homecoming program a reception will be held, with November 18 and 19. Lawrence Woodworth of this city is a member of Pendleton as hosts.

of the committee in charge of the "Homecoming Dance," and Lieth Abbott, formerly of this city, heads the publicity committee.

Farmer Pleads Bankruptcy
 A petition in bankruptcy has been filed by Emma Lashbaugh, a farmer living near Pendleton. In the statement made by the petitioner the figures put forward show that his liabilities are \$3,328.39. His assets are listed as worth \$887.50, and on a big part of this he asks for exemption.

Convention to Open.
 The annual convention of the Umatilla County Sunday School Association will open tonight at the Methodist church. Rev. Alfred Lockwood, pastor of the Church of the Redeemer, will be the chief speaker and his topic will be "The Perils of Youth." Rev. J. M. Cornelison, president of the county association, will preside. There will be special music, and after the program a reception will be held, with the members of the various churches Woodworth of this city is a member of Pendleton as hosts.

Is in Milton
 Business in connection with the coming East End Fair and Apple show at Milton-Preewater November 11 called Fred Bennion, county agent, to Milton today.

Rainfall is .95.
 Rainfall today totaled .95 of an inch, says Major Lee Moorhouse, who predicts more rain, basing his prediction on the barometer, which registers 29.46. The maximum today is 61, with a minimum of 40.

Salvation Army Sale
 There will be an auction sale at the Salvation Army hall Saturday starting at 2 o'clock. Vegetables, pumpkins, grapes, apples, pies, cakes and also a sale of home made clothing such as aprons, nightgowns, etc. Everyone is invited to attend this sale it will also be held in the evening. Dollar Day will also be observed in this.

Loses Extra Tires
 Thieves visited the car of Sol Baum last night while it was parked in front of his residence on the corner of Thompson and Tustin and secured two extra tires which were on the carrier. They also got a heavy overcoat which had been left in the machine. It was used largely for hunting purposes. The police are working on the case.

No Contagious Diseases
 There are no contagious diseases in Pendleton at present, according to a report from the office of Dr. F. E. Boyden, city physician. All cases of infantile paralysis are on the mend and the quarantine has been lifted on the one isolated case. The births during September numbered 19, while the deaths were 18, six of these being inmates of the State Hospital.

May Exhibit Work
 Women of the east end of the county will exhibit canned fruit and fancy work at the East End Fair November 11 if prizes are offered, says Mrs. Edith G. Van Deusen, home demonstration agent. Efforts are now being made to secure prizes for the women's display. The county court recently appropriated \$500 for premiums to be given at the fair, which includes a large Apple Show.

Four Get Building Permits
 With the approach of old King Winter a matter of only a few weeks, car owners are preparing to house their machines. Three permits for garages have been issued at the office of the city recorder during the past 24 hours. D. E. Rogers will spend \$50 on a garage to be erected on his property at 515 Blaine street. J. D. Brown will erect a similar building on his property on Jane street at a cost of \$200, and Bert A. McDonald has been granted a permit to put up a garage on Lillett street to cost \$25. Booher and Bender will erect a frame building on Cosbie street to cost \$700.

Preserving Scenic Spots
 The Pendleton Commercial Association has been requested by Gov. Ben W. Olcott to appoint a committee within its organization to serve on a statewide body which will be known as the Scenic Preservation Association of Oregon. Preliminary work on the proposition was done at a recent meeting in Salem, according to the letter received here from the executive, and a great deal of interest has been manifested in the work. The association will bend its efforts toward preserving the beauty spots of the state wherever possible. A similar invitation from the governor has been submitted to civic and business organizations all over the state.

DEVELOP NATIONAL SENTIMENT

(Continued from page 1.)

the United States and Japan were enumerated by the Rev. Dr. Burnett as follows:
 First—The form of government of Japan and the temperament of the Japanese people make them always ready for war. There is no other nation in the world which so nearly approaches the Germany of pre-war days as does Japan.

Second—The great masses of the people of the two countries are ignorant as to actual conditions existing in the other country. This is particularly true in Japan, where the people form their ideas of life in the United States from uncensored films, which, according to Rev. Dr. Burnett, give a false impression as to the morals and ideals of American people, and also, from sensational newspapers which, he declared, print only such news as will tend to inflame the minds of people of Japan and breed a hatred for America.

Third—And probably the most potent one, is the economic cause.

RAILROAD SHOPWORKERS

(Continued from page 1.)

today requested a conference with the railroad executives, in session here, on behalf of the six big railroad unions which have voted to strike. Officers of the railroad unions met in one hotel while over 100 railroad presidents met at another. The president notified Stone by telephone that his letter would be considered. Railroad executives were expected to ask the railroad labor board for further wage reductions, promising to pass all future cuts along to the public in lower freight and passenger rates. The labor board today handed down a decision providing for restoration of piece work in the railroad shops. This ruling pleased the railroad presidents, but the union leaders feared the effect on the men who have voted to strike rather than accept a further wage reduction or rules which they oppose.

CHICAGO, Oct. 14.—Industry faced a tieup as a menace of the railroad strike which hung over the nation today. Railroad executives are preparing to cut wages of two million rail employees approximately 10 percent. In the face of the ultimatum that the union would strike, October 26 unless negotiations are reopened. Both sides holding councils of war are unaffected by the railroad board decision putting all shop work on a time basis. This is regarded as unaffecting the general situation.

Be on Hand. Come Early and Stay Late

HIGH SCHOOL NOTES

October 13 was not St. Patrick's Day but the Freshmen of P. H. S. were "wearing the green" in celebration of "Hello Day." The girls wore white middie and green ties or green hair ribbons, while the boys sported green ties and green sweaters or revealed their loyalty by the most verdant of socks. The object of this costumeing was to identify the members of the

class of 1925, so that every freshman could say hello to and become acquainted with every other freshman. Miss Severance, class adviser, Principal Landreth, and the freshman teachers also indulged, "wearing the green." L. E. Travers, instructor of the shop work in the high school, has announced that the next problem of the Smith-Hughes course will consist of repair work on gas engines, automobiles, pumps, motors and other machinery. Mr. Travers has promised the boys of the class every practical work in this course and real machinery will be used. Mr. Travers asks that the people of the community

send any machinery that is repairable at all, to the high school. The boys will repair the machinery without any expense except for the actual parts used in repair work.

CORKS SPELL HIS NAME.

POPULAR BLUFF, Mo., Oct. 14.—(I. N. S.)—The most freakish "doctor's sign" in the world attests the health of this community. Hanging over the sidewalk is the "shingle" of Dr. J. L. Harwell. It is ten by eighteen inches, with the background made up of 3000 pills, pink pellets

predominating. "Doc's" name is spelled out with corks from medicine bottles. Old surgical instruments and bottles decorate the top of the queerest sign.
