

## People Here and There

Fred W. Falconer has returned from a business trip to Portland.

Stanley Jewett, predatory animal inspector for Oregon and Washington, is in Pendleton on official business.

### MOTHERS! MOVE CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

In an effort to recover from the strain of the Round-Up and at the same time take a needed vacation, O. H. Shultz and J. R. Light, Pendleton bankers, are stopping at the Imperial for a few days. They are already spreading propaganda for the 1922 Round-Up.—Oregonian.

Duties in connection with the veterans' bonus are monopolizing the time of Lyman G. Rice of Pendleton, these days. Mr. Rice is a member of the bonus commission and is awaiting the outcome of the friendly suit that has been started in the supreme court to test the legality of the law that was enacted by the 1921 session of the state legislature. Mr. Rice is registered at the Benson.—Oregonian.

Don Robinson returned yesterday after a business trip to Portland. He is associated with the Domestic Laundry and while away purchased new machinery for the local plant. He also visited Silvertown, and was the guest of Carl Stamey, formerly of Pendleton, now owner of the Silvertown Steam Laundry.

### AMENDMENT TO GERMAN PEACE TREATY REJECTED

WASHINGTON, Oct. 17.—(A. P.)—The senate in the first roll call on the German peace treaty rejected 71 to 7 the amendment by Walsh of Montana to have the United States join the other powers in the pledge to protect Germany against unwarranted invasion. The senate also rejected the second Walsh amendment 62 to 6 proposing the United States use good offices in the event of wanton attack on Germany.

### NEWS NOTES OF PENDLETON

**Joins League**  
Miss Pearl Christian, of Hermiston, who is now residing in Pendleton, is a new member of the Epworth League.

**Literalist Coming.**  
Edgar L. Wells, state literalist, will be in Pendleton October 19 to inspect the local weather bureau. It is under the direction of Major Lee Moorhouse, official weather observer.

**Will Exhibit Boar.**  
A. D. Crossland of Hermiston, a Pendleton visitor today, will exhibit at the Pacific International Livestock Exposition the grand champion boar which won the championship at the Salem State Fair, and also the championship at the Hermiston Dairy and Hog Show. The boar is a Duroc Jersey.

**Will Open Business**  
Leedy & Estes, of this city, have leased the Gardiner building in La Grande and are having it completely rearranged and re-tinted preparatory to establishing a modern cigar store with fountain, billiard and game rooms. The place is to be furnished with specially made furniture and fittings.

**Rainfall Is .97.**  
The rainfall last night was .97 of an inch, says Major Lee Moorhouse. More rain is expected, as the barometer registers 29.59. The maximum today is 70 and the minimum 45. Rain is welcomed by farmers and stockmen but fruitmen fear that the rain will be followed by wind which damages the crops considerably.

**Dollar Day Results Pleased.**  
The results in sales made and new customers attracted in Pendleton's first Dollar Day caused merchants to declare that they favor the retention of the day. The movement was initiated by the merchants' committee of the Commercial Association, and sentiments expressed this morning at a meeting of the committee were favorable to having Dollar Day observed twice a year.

**Appraisers Named.**  
J. T. Llewellyn, of Adams, G. A. Price, cashier of the First National Bank of Milton, and James Johns, president of the Hartman Abstract Co., have been named as appraisers for Umatilla county to appraise property purchased by ex-service men under the provisions of the act endorsed by the voters in the special election held in June. Funds for loans are expected to be available during the early part of 1922.

**Turn Down Drive.**  
Endorsement by the Pendleton Commercial Association of a drive by students of the Walla Walla college for the Seventh Day Adventists which had been planned in Pendleton and Umatilla county, was denied this morning at a special meeting of the merchants' committee. The denial to endorse the drive is in line with the policy of the organization to refrain from permitting outside organizations to come in and solicit funds.

**No Wheat Being Sold.**  
Practically no wheat is being sold locally. John Montgomery with H. W. Collins Co. is authority for this statement. Wheat slid downward today in Chicago about seven cents, and that brings the local market to approximately 80 cents a bushel. That is about 20 cents less than farmers figure they must have in order to break even, and they are not selling their crop. Railroad talk of a strike is held to be largely responsible for the slump.

**Opposed to Cut-Off.**  
Opposition of La Grande to the proposal to construct the Umatilla-Walla Walla cut-off has been expressed in letters to the Portland Chamber of Commerce, according to a letter received at the offices of the Pendleton Commercial Association from the Union county Ad Club. The La Grande organization is interested in seeing the Old Oregon trail finished before any other road program is put forward. The road from Joseph to La Grande is another project in which Union county is interested.

**Henry Benson Dies.**  
Henry L. Benson, aged 67, justice of the Oregon supreme court since 1914, died on Friday at his home. Harry Benson of Pendleton, is a son of Justice Benson and was at the bedside of his father. He had been in poor health for about two years, although until a few months ago he kept up his active duties on the bench. After he became too weak for active work he spent much of his time in Portland and California. He returned home a
