Does Your Corset Tire You Out?

Nervous exhaustion is often directly traceable to the wearing of a corset unsuited to the figure, or one that is improperly designed.

Such a corset tends to throw the figure out of correct poise, forcing certain muscles to do ex-tra work as they attempt to hold the figure into correct position, or delicate nerve centers are bruised by abnormal pressure.

This causes the wearer to become nervous and irritable or to tire easi-

Modart Corsets

Our expert fitters have found that the Modart Corset with its scientific design and front-lacing principle gives absolute protection against undue pressure and at the same time accomplishes a definite figure improvement,

prize, \$20 worth. Mr. Egbert, who exhibited 90 pounds of wheat here, is A total of 8,585 applications for other loans or a cash bonus have been made by ex-service men of Oregon under the provisions of the recently enacted state act for the assistance of world war veterans, according to a Can Be Cured! statement of Lyman Rice, member of the commission which is taking care of the executive of the act. These figres were the final up until October But You Must Clear Your Blood of Waste Products.

Of this number, 4,584 men are seekng cash, and the remaining 4,001 have Lack of exercise and improper diet causes waste products to accumulate in the blood. You will at once realize that unless the blood applied for loans. This gives the seekers of cash a majority in the total. "It is well to remember that there are approximately 25,000 men eligible for either the cash or the loan," Mr. Rice said today, "and it seems probone of the most serious diseases caused by waste products in the blood. You know, of able that the men wanting cash have been the first to put in their appliations. The indications are that mer not now in a position to take advant-

waste products in the blood. You know, of course, the blood is not confined alone to the arteries and veins. It passes out of these channels to all parts of the body. This is how sediments or waste products are deposited in the muscles and joints. Genuine relief can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have a part of the past of the p ne plications." Mr. Rice will be at home during the next two weeks, and he has volunteered to lend his assistance in any way women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, bepossible to any ex-service men wanting help in filling out their blanks.

age of a loan will later make their ap-

ause it removes the poisonous waste matter which is causing the trouble. There are no The first bonds will be offered for sale about November 30, according to Mr. Rice. It is likely that the first Begin taking S. S. BIG ARMIES WILL BE BIG PROBLEM AT PARLEY

WASHINGTON, Oct. 18.—(I. N. S.) The huge reserve armies which virally every hig nation inherited from the World War are expected to prove serious stumbling block to the disup the limitation of land forces.

Every country which participated in an approximate peace-time basisthat is, reduced many times from the huge forces maintained in the war. Even France is handling her military problems with considerably smaller forces than she had at the close of the

Great Reserves

In each of these countries, however, there exists, as a result of the war, great reserves of war-trained veteran soldiers, still available for use in an emergency. The United States no exception to this rule. While our present army ranks thirteenth in size with the rest of the world, ou
