THERE'LL BE SOME SNAPPY FOOTBALL SATURDAY

DOUBLE HEADER MEET AT ROUND-UP PARK TO PROVIDE REAL THRILLS

Enterprise is Expected to Give Real Battle; P. H. S. Second Team vs. Hermiston.

Pendleton football fans will have an opportunity of seeing a real melee Saturday afternoon at Round-Up park when Pendleton sends her hopefuls against the crack Enterprise football aggregation. Coach Dick Hanley is anticipating a tough battle and is predicting anything but an easy victory for the local fighters, for various reasons.

In the first place, by comparative scores Enterprise has one of the snappiest teams in Eastern Oregon. They held La Grande to a 7 to 0 score early in the season after La Grande had trounced the Union gridlers to the tune of 65 to 0. Up to that time Union was reported to be represented this year by a very strong team.

The next cause of dismay from a Pendleton standpoint is the fact that the services of Clayton Rogers, 175 pound powerful tackle, who is ineligible to play this game on account of being down slightly in some of his grades. This cuts down Pendleton's average weight and the team which lines up for the whistle Saturday will not average more than 146 pounds to the man.

As a curtain raiser to the main event, Pendleton will send her second team against Hermiston high school. This game will be a fight from start to finish as Hermiston has defeated a number of teams this year and is confident of walking off with Pendleton's second team's scalp. Hanley has a lot of good material on the second team which will be seen for the first time this year in action and it will be worth the price of admission alone to his list of substitutes.

The Hermiston-Pendleton game will be played at 2:30 p. m. sharp with 19 or 12 minute quarters if it can be arranged satisfactorily. The main game will commence then about 3:30 thus permitting both games to be over before and ghost balls need be brought out.

The line up for the Pendleton team against Enterprise will probably be: Snyder, L. E.; Fordyce, L. T.; Stonebraker, L. G.; Lawrence, C.; Ernhart or Byers, R. G.; P. Kramer, R. T.;

Adkinson or Holmgren, R. E.; Cahill, Quarterback; W. Kramer, Capt.; L. H.; Hayden, R. H.; Newson, Fullback; The Pendleton second team which will do battle with Hermiston will probably be Saunders or Morton, L. E.; Minnie or Molstrom, L. T.; Harrah, J. G.; Laing, Center; Byers or Crawford, R. G.; Warner, R. T.; McCulley, R. E.; McGee, Quarterback; Vaughn, L. H.; Temple or Whiteman, R. H., and Gillette or Byers, Fullback.

BIG GAMES IN EAST WILL BE NUMEROUS SATURDAY AFTERNOON

Princeton-Chicago Game is One of Big Features; Penn and Harvard Will Battle.

By HENRY L. FARRELL, (United Press Staff Correspondent)
NEW YORK, Oct. 21.—What a football menu for tomorrow!

Possessed of seven or eight personalities that might flit hither and thither over the gridiron may, the fan might not make a mistake in his choice of a game.

Look at the list: Chicago and Princeton, Penn State and Harvard, Army and Yale, Syracuse and Pittsburgh, Ohio State and Michigan, Wisconsin and Illinois, Notre Dame and Nebraska, and California and Oregon.

The feature battle of this first deluxe Saturday of the season is the big inter-sectional match at Princeton between Chicago one of the leaders of the Western Conference, and Bill Roper's Nassau Tigers. Princeton has a team that should win the eastern championship this year, and for the first time the midwestern will have a chance to compare one of its greatest with perhaps the greatest in the east.

From a purely martial standpoint, the real fight of the day will be between Penn State and Harvard in the Cambridge stadium. Penn State has been yearning for years to get a game with one of the "Big Three," and the championship of the east may hinge on this battle, as Hugo Bezdek has another one of his great eleven.

For the first time in history, the Cadets will get away from the West Point plains for a game other than with the Navy when Coach Charles Daley's soldiers journey to New Haven to meet Yale. The Cadets have the makings of one of the strongest teams in the east and the chance for the soldiers to add an elite scalp to their belt is very bright.

Syracuse and Pittsburgh are traditional battles and the game is bound to bring out the best in each team. Ohio State, after being defeated by Oberlin, an Ohio conference eleven, is not thrilled over the prospect of meeting Michigan. The other big battle of the western conference between Wisconsin and Illinois should be one of the best games of the day.

HOME BREWERS IGNORED BY INDIANAPOLIS POLICE

INDIANAPOLIS, Oct. 21.—(U. S. S.)—Plenty of liquor is to be had in Indianapolis—if the consumer is not particular about quality. It is estimated there are 500 bootleggers in the city peddling the product of illicit stills. Drunkenness has not decreased since Indiana went "dry" in 1917 and the State's prohibition laws are more stringent than the Federal act.

If figures from periods in the years 1917 and 1921 may be accepted as an average, one thousand and ninety-four arrests for intoxication were made here from January 1 to September 29, this year, an average of 121 a month. During the ninety-day period preceding the closing of the saloons, in 1917, the average was 198 a month.

Few intoxicated persons are seen downtown, however. Most arrests are made in the foreign and negro quarters.

"Anybody" can buy wine or "corn liquor" in the foreign quarter, but at most "dry" beer saloons where bootleg whiskey is dispensed an "introduction" expedites the sale.

So plentiful is the supply of moonshine, which sells at about \$5 a quart, and bonded stuff, which is quoted at \$12 from the hip, that the police have virtually ignored the infant industry of home brewing of beer, which also is in "bad odor."

To the Workers of Oregon

By Otto R. Hartwig
President, Oregon State Federation of Labor

DURING these days of reconstruction and uncertainties, it becomes more than ever necessary for the citizens of Oregon to patronize the industries of Oregon by buying such products as are made in this state.

Industries of Oregon cannot be expected to grow and furnish continuous satisfactory employment to the workers of Oregon if we spend our money for products manufactured elsewhere.

It is a well known fact that on the whole, Oregon workers are receiving better wages and working under more satisfactory conditions than is true of the workers in many of the eastern centers where a good deal of the products that the careless purchaser buys comes from. It is the height of stupidity and selfishness to demand decent working conditions from the Oregon employers and then turn around and use the money earned in Oregon to buy products made under sweat-shop conditions that exist in many of the eastern and middle states.

Let's buy Oregon Products!
