

# News Notes of Pendleton

**CALENDAR OF EVENTS**  
 October 24 to 29.—National Laundry Week.  
 November 11.—East End Fair and Apple Show.  
 November 21, special city election.

**Service Men, Attention!**

All ex-service men whether members of the American Legion or not, are requested to meet tomorrow afternoon at 2:30 o'clock in front of Brown & Brady's undertaking parlors. Post Commander Perry Idleman hopes to have a large number of the servicemen out to pay a last

tribute to their former comrade, Joseph V. Stephens, Pendleton soldier who was killed in France. The funeral will be held at the Presbyterian church.

**Texas to Have Rodeo.**

The First National Bank of this city is in receipt of a letter from the Graham Rodeo Company of Graham, Texas, asking that Pendleton boost their show. They say they are to have a wild west show November 22 to 24 and want famous riders and ropers who have performed at the Pendleton show.

**Opens Store in La Grande.**

La Grande papers announce the

opening of the new Imperial Billiard parlors there by Harry Leedy and Mr. Estes today. Harry is putting on a real opener with an orchestra, reception line and ever' thing that goes with it. J. Winer of the Bootery also opened an exclusive shoe store in the Union county town this morning.

**Will Build Sidewalk.**

Clark Dunlay today received a permit to build a six foot sidewalk on the south side of lot seven, in block 111.

**Drunks Arrested.**

A. James and Big Jim forfeited bail today after being arrested on a charge of drunkenness. James forfeited \$20 and Jim \$10.

**William Cahill Arrested.**

William Cahill was arrested last evening on a charge of illegal possession of liquor. His sentence was \$50 fine or 25 days. He is doing time in the city jail.

**Clear Weather Predicted.**

Clear weather is predicted by Major Lee Moorhouse, weather observer, for the next few days. The maximum today is 66, the minimum is 37 and the barometer registers 29.85. Rainfall yesterday was .02 of an inch.

**Arrive from La Grande.**

Mr. and Mrs. G. W. E. Curtis arrived today from La Grande. They will have charge of the music for the special meetings which will open at the Christian church tomorrow morning. Their home is in Vancouver, Washington.

**Numbers Are Changed.**

The new telephone directories are being distributed by the Pacific Telephone Co. to their 2000 subscribers. About 60 numbers have been changed because of the lack of facilities. The change of numbers will be an aid to better service, the company believes.

**Is Adjudged Bankrupt.**

S. C. Kilgore of Helix, has been adjudged bankrupt by Judge Wolverton of Portland, according to word received here today by Judge Thomas Fitz Gerald. Kilgore's liabilities are \$41,014.44 and his assets \$24,575. A meeting of his creditors will be arranged for at some future date.

**How come, Judge?**

Judge Stephen A. Lowell of Pendleton is worried for fear Governor Oicott may accept a salaried position with the government and resign as chief executive. It would seem that the Judge is unduly alarmed. No one is giving any "inside" information about the matter.—La Grande Observer.

**Bad Check Artist in Town.**

The city officers are on the trail of a man who cashed several bad checks on local firms the past few days. The man who issued three checks signed W. E. McNally or Le Roy Whitney, cashed checks to the amount of \$11.65 each, on the West End Grocery, Milne's Grocery and the Bungalow Pool hall.

**They're Higher in Hawaii.**

Living in fair Hawaii is higher than in the states according to letters received by Mr. and Mrs. C. S. Jerard from their daughter, Leura, who is teaching in Hilo high school, Hawaii. Miss Jerard says that eggs sell at \$1.10 a dozen, that meat sells for forty cents a pound and picture shows are 60 cents. Pineapple and banana abound and are cheap.

**Milton Defeats Athena.**

By a score of 26 to 13 the Milton football team defeated the Athena team at Athena yesterday. Milton's scores were all made in the last part of the game as Athena led 13 to 6 at the end of the first half. After Johnny Pinkerton, Athena's quarterback was injured and removed from the game, Athena seemed to lose heart and Milton scored four touchdowns in the last period of the game.

**Will Visit Athena.**

Athena women will make dress-forms on Monday afternoon under the tutelage of Mrs. Edith G. Van Deusen, home demonstration agent. On Tuesday she will give millinery lessons at Athena and will continue them on Wednesday afternoon. On Thursday she will go to Bieth and will give millinery lessons at the home of Mrs. Allen Kernd. Dress-forms will be made at Columbia district on Friday.

**Gets Long Telephone Call.**

Arnold Koepke, prominent Athena farmer, who is in Pendleton today received a telephone message recently from Claude Hill, one of his former college mates at Louisville, Ky., telling Mr. Koepke of his marriage to a southern girl. Mr. Koepke was able to hear Mr. Hill very plainly. The two men were members of Kappa Sigma fraternity at the University of Oregon and both men are well known to many Pendleton people.

**Funeral to Be Held.**

The funeral of the late Mrs. G. W. Cox of Walla Walla, formerly of Pilot Rock, will be held tomorrow at 2 p. m. at Pilot Rock with Rev. Love officiating. Mrs. Cox, who was 73 years of age, died after an operation for appendicitis. She was formerly Miss Elsie Ogilby and well known here. She is survived by her husband and several brothers and sisters, among them Mrs. Helen Belts of Pendleton. The funeral cortege will leave the Brown & Brady chapel at 1:45 p. m.

**Bad Road Causes Delay.**

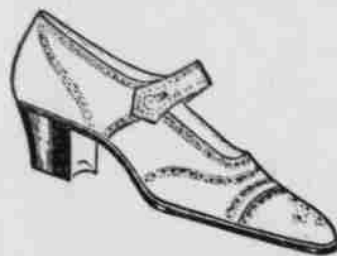

No, the smoke curling up from the Blue Mountains does not come from a forest fire. It comes from a number of tourists who were caught on the bad stretch of road between Pendleton and La Grande by the present break in the weather and they are floundering in the mud with every make of car known to the automobile industry. The smoke is very blue in appearance and might be caused by streams of profanity as the wheels spin in the mud and the car sinks deeper and deeper. Reports from the mountain state that quite a number were established last evening by the travelers who could not turn a wheel to help themselves out of the mud.—La Grande Observer.

## THREE PEOPLE NARROWLY ESCAPE DROWNING TODAY HAS DISPERSED HALF ITS DIPLOMATIC JOBS

SAN PEDRO, Cal., Oct. 29.—(U.P.)—Three people had a narrow escape from drowning in the outer harbor when the United States submarine chaser rammed a civilian ferryboat plying between the shore and the ferry-boat completely over, hurling the occupants into the water. Admiral Eberle and several members of his staff, passing in the admiral's barge, rescued those in the water and landed them at the submarine base. A naval tug towed the ferry to safety.

**INFORMATION WANTED** of the whereabouts of the heirs and next of kin of Gertrude Richartz also known as Gertrude Wahlfar, also known as Gertrude Decker, who emigrated to the United States in 1892 and who, in September 1893 at Pendleton, Ore., under the name of Gertrude Richartz, declared her intentions of citizenship to the U. S. at which time she was supposed to have a brother living in Eastern Oregon.—Address B. I. LaSalle, 504 Phelan Bldg., San Francisco, California.

Colonel Charles B. Warren, The two recognized embassies to which an ambassador is yet to be appointed are Argentina and Belgium.  
 With the ratification of the peace treaties, President Harding will be enabled to nominate ambassadors to Germany and Turkey. The latter post has by unwritten law always gone to a member of the Jewish faith. The dismemberment of Austria as a result of the war will probably mean the lowering of our post at Vienna from an embassy to a legation. The appointment of an ambassador to Mexico waits upon the recognition of the Obregon Government there by the United States, and no one can predict when the embassy at Petrograd will be restored.  
 The legations that have been filled and the appointees of the Harding Administration are: Belgian, Charles W. Wilson; China, Dr. Jacob Gould Schurman; Czecho-Slovakia, Lewis Einstein (promoted); Denmark, Dr. J. D. Prince; Finland, Charles L. Kagey; Guatemala, Roy Davis; Nicaragua, John E. Hamer; Panama, Dr. John G. South; Rumania, Peter Augustus Jay; Salvador, Montgomery Schuyler; Siam, Edward E. Brodie; Switzerland, Joseph C. Grew (promoted); Venezuela, Willis C. Cook; the Netherlands, William Phillips (retained); with this post goes also the responsibility of Minister to Luxembourg. J. Morton Howell has been named as diplomatic agent and consular agent at Cairo, Egypt.  
 The remaining plums to be shaken from the legation tree are the posts in Bolivia, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, Greece (when the Government is recognized), Honduras, Haiti, Liberia, Montenegro, Norway, Paraguay, Persia, Peru, Poland, Portugal, Kingdom of the Serbs, Croats and Slovenes, Sweden and Uruguay. There is also a post as diplomatic agent and consul general available at Morocco.  
 Some of the positions will be filled by transfer or promotion of men who have been in the service of the State Department for a number of years, as it is the avowed purpose of President Harding and Secretary of State Hughes to reward merit and faithful service in the department; but there still remain enough "jobs" to keep the President and his State Secretary busy listening to the "backers" of aspiring diplomats.
