## Save as You Go?

Save as you go and you will go far; spend as you go and you'll go to the poorhouse. It is all right to be the good fellow NOW but the good fellow of TOMORROW is the one that is penniless TOMORROW.

Saving does not mean being miserly. It means a sensible "center-of-the-road" position, saving a part out of each week's pay and putting it away for the future.

Why not take a part of next week's pay and open a Savings Account with this strong institution? When you do, we will present you with the unique home safe that is shown above. This safe is an exact replica of the famous Liberty Bell. No better symbol of the Independence you are saving for could be had. It only takes \$1.00 to open an account and obtain a Liberty Bell Bank.

## SYMPTOMS WOMEN DREAD

Mrs. Wilson's Letter Should Be Read by All Women

Clearfield, Pa.—"After my last child was born last September I was unable to do all of my own work. I had severe pains in my left side every month and had fever and sick dizzy spells and such pains during my periods, which lasted two weeks. I heard of Lydia E. Pinkham's Vegetable Compound doing others so much good and thought I would give it a trial. I have been very glad that I did, for now I feel much stronger and do all of my work. I tell my friends when they ask me what helped me, and they think it must be a grand medicine. And it is. You can use this letter for a testimonial if you wish."—Mrs. HARRY A. WILSON, R. F. D. 5, Clearfield, Pa.

The experience and testimony of such women as Mrs. Wilson prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound will correct such troubles by removing the cause and restoring the system to a healthy normal condition. When such symptoms develop as backaches, bearing-down pains, displacements, nervousness and "blue" a woman cannot act too promptly in trying Lydia E. Pinkham's Vegetable Compound if she values her future comfort and happiness.
