Game Is Cancelled

The Milton-Hermiston game of football which was scheduled to be played Thanksgiving Day at Hermiston had definitely been cancelled, it was announced today. The school authorities decided that to await the action of the weather any longer would be unnecessary, because if the snow should melt, the condition of the field would make it impossible to play a game.

Attractions Are Booked.

For Saturday evening at the Rivoli heatre, Nance O'Neil will appear in "The Passion Flower." The seat sale opened today. Cinema attractions scheduled for the near future are "The Affairs of Anatol," December 4. and 6, and "The Shiek," a dramatization of the book sensation of the year, December 11, 12 and 13. Valentine has the title role in the Sheik. He will appear here also in "The Four Horsemen of the Aposalypse,"
"Julio,"

Delinquent Taxes Decrease

Umatilla county's quota of delinquent taxes has decreased decidedly during the past few days as a result of the receipt by Miss Grace A Gilliam, county treasurer, of another turnover of \$285,899.90 from the county sher-iff's office. In addition to this, the sum of \$2,195.23 of delinquent taxes from 1919 has been turned over. The delinquent taxes for 1920 now amount \$113,000, and some small sums are still being paid every day. A further decrease is expected before the first of the year.

NEED OF EXPERIMENT STATION

(Continued from page 1.)

ing timber supply is located.

Cost Would Be Very Small. The total cost of the stations proed, it is stated, would average ultimately for the forest area of the Inited States, an annual expenditure of one-tenth of a cent an acre for investigative work.

experiment stations are needed," the report adds, "to make land productive which otherwise would not be used. This function has particular significance when we are adding from 8,000,000 to 10,000,000 acres each year to the \$1,000,000 acres already wholly waste, but capuble of large production, and when we have 245,000 000 acres for the most part producing much less than their

apacity in both quantity and quality "No time should be lost in learning ethods to keep fully productive the 137,900,600 acres of virgin stands which we still have left. We have the 000,000 acres of forest land in the production of wealth, for the support of a arge timber-growing industry parable to farming, and for the main-tenance of other large industries which involve logging and the primary manufacture, transportation and remanufacture of forest products."

Detailed surveys of the situation in the different forest areas of the country are contained in the report, Forest Experiment Stations, Circular 183 United States Department of Agriculture, copies of which may be obtained, free of charge, upon application to the department at Washington.

Rusty nall wounds, festering seres, burns and scalds heal rapidly when Liquid Borozone is applied. It is both antiseptic and healing. Price, 30c. 50c and \$1.20. Sold by The Pendleton

If the bowels do not act regularly, assist them with an occasional dose of Herbine. It is a fine bowel tonic and laxative. Price 60c. Sold by The Pendleton Drug Co.

Rubbed into the skin for rheumatism, neuralgia, contracted muscles, sprains or lameness. Ballard's Snow Liniment goes right through the fiesh to the bone, easing pain and removing the cause. It is a powerful pain relief. Three sizes, 30c. 60c. and \$1.30 per bottle. Sold by The Pendleton Drug
