DANES LIKE AMERICAN TROTTING HORSES NOW

NEW YORK, Nov. 26.—(U. N. S.)—Denmark has taken strongly to trotting horse racing during the past thirty years, and after experimenting with Norwegians, discarded these and now specializes only in American trotting stock, says Hans Christian Riisegaard, of Copenhagen, Denmark. Mr. Riisegaard has been in the United States about a month, visiting Lexington, Ky., and Indianapolis, Ind., where he has bought about a dozen very high-class stallion trotters which he is shipping home this month.

"We never went in for trotting races until comparatively recently," said Mr. Riisegaard, "and within the past ten years, when we began to specialize in American-bred horses. We have improved our horses wonderfully, and now the country is full American bred. We race the horses differently in Denmark, handicapping them according to their past earnings."

Mr. Riisegaard is the director of the Danish Trotting Association.

A neighbor told me to use Lydia E. Pinkham's Vegetable Compound and it helped me from the start. When the doctor came I told him what I had taken and he said, 'Throw my medicine away and keep on with the Pinkham medicine.' I did and it cured me. QUALITY PRINTING at Reasonable Prices

East Oregonian Printing Department.

THE LARGEST CHAIN DEPARTMENT STORE ORGANIZATION IN THE WORLD

A business that is different has a big Idea behind it— an idea that is clean, clear cut!

Naturally the J. C. Penney Company is in business to make money, for that is essential if the business is to carry on, but if that alone was the only reason it would possess a lame excuse for its existence.

The Big Idea behind this Nation-wide institution is the potent fact that it is governed by the Golden Rule: "Whatsoever ye would that Men should do to you, do ye even unto them."

In all its 312 stores, the Golden Rule is practiced. It is unalterable, irrevocable! It rules our every transaction with YOU!

Quality of our merchandise is never misrepresented. For example: All wool in our store does not mean part cotton or shoddy. We stand sponsor for everything bought from us!

You and your neighbors pay the one and same price; no more, no less! And that price represents a superior value the year round; we never hold sales!

This is the difference—the Big Idea!
