## CALENDAR OF EVENTS

December 13, 16, 17—Oregon State Irrigation Congress.

## Is Operated Upon.

Fred (Hunch) Hennon, Jr., underwent an operation for tonsils this morning at St. Anthony's hospital. He is the son of Mr. and Mrs. Fred Hennon.

## Former Resident Called East.

J. Winer, formerly a resident of Pendleton, now in business in La Grande, left Friday night for Pennsylvania, where he was called on account of the death of his father.

## Will Return Tomorrow.

Wesley Mims, of this city, who has been seriously ill with pneumonia at Eugene where he is a student at University of Oregon, will be brought to Pendleton tomorrow. He will be accompanied by his mother, Mrs. Fred Mims, who was called to Eugene by her son's illness.

## Mrs. Cohn in Portland.

Mrs. Sylvia Cohn, wife of one of Pendleton's best-known merchants, is at the Benham. Mrs. Cohn was sitting in a limousine reading in her berth when her train participated in the collision near Celilo yesterday morning. Mrs. Cohn rushed through the aisles of the cars until she got to where the injured were and promptly proceeded to assist some of the women victims.—Oregonian.

## Report is Given.

The total Red Cross receipts for November, including a balance of \$2,424.61, is \$2,571.77, according to a report submitted by Miss Esther Kelly, social service worker in charge of the office. The balance on hand November 30 was \$3,258.12. The Home Service fund balance on November 30 was \$124.68. The total number of cases was 160, of which 51 were civilian cases and 109 ex-servicemen cases. Three hundred forty-two persons visited the office during November.

## Apartments Are Rented.

The new Matlock Apartments, in the old opera house building are now completed and tenants are moving in. Those who will occupy the apartments are Mrs. Wesley N. Matlock, owner of the apartments, Dr. and Mrs. David B. Hill, Mr. and Mrs. Frank Kinsaid, Mr. and Mrs. Carl Gensel, Mr. and Mrs. H. P. Whitman.

## More Than 8000 Fines.

The sum of \$624.50 was collected by the city during the month of November in city police court, according to the figures compiled by Judge Thomas Fitz Gerald. Approximately one-third of this amount was secured on violations of traffic laws.

## Boys Have Arrived.

Reading circle circulars giving lists of the teachers' books from both O. A. C. and the University of Oregon have been received at the office of the county superintendent of schools. The questions on the books which are supervised by the University of Oregon are at the superintendent's office. The books and questions are at the county library.

## They're Hunting Geese.

A quartet of amateurs consisting of Jim Estes, Guy Matlock, Guy Wyrick and Earl Counts left this afternoon for Wallula, over in the Juniper country, where they expect to secure for themselves a supply of the palatable and elusive geese. The party is well equipped with supplies and bed clothing, and three of them are said to have vowed they will not return until they have a good supply of geese. Jim Estes, however, is said to have promised his wife to be back not later than Tuesday morning, so he may not keep his vow. On the other hand, he may break his promise.

## Selling Marionette Tickets.

Grade children of the three grade school buildings in Pendleton started today selling tickets for Tony Sarg's Marionettes which will be here December 8 at the high school auditorium. The net profits of the show are to be distributed among the three schools in proportion to the sales they make. The show is one of unusual artistic merit, according to Oswald Olson, musical director, who saw it in New York.

## Alleged Thief Arrested.

The sheriff's office was responsible today for the arrest of W. D. Rainbolt, charged with the theft of a car. The prisoner, who is said to be only 19 years old, is charged by C. W. Kellogg, garage man of Hermiston with having hired the car from him to take a drive of three miles into the country. Instead of taking this drive, it is claimed that the young man started for Washington. He ran out of gas near Free-water and his arrest was effected. He was brought back here and now is in jail.

## They Have Gone Away.

The population of Pendleton is just three less than it was yesterday, and the loss can all be laid to the blame or credit of Chief Jinks Taylor, because this morning he led a little select company numbering three men to the west side of the city limits. Here in a voice choked with emotion he bid his hand good-bye and good luck, and then in a sterner tone, told them that the equator in summer time would be a cold place for them in comparison to Pendleton if they ever come back. The men in the company were "Whispering Sam" Heber, who is partial to the bottle containing flavoured extract with a kick in it; "Dematured" Harry Thacker, whose first love in life is dematured alcohol, which recently almost caused his demise; and "Edmund" Robert Lee, alleged customer jeweler. The members of this trio have been getting drunk, or rather, the police declare they have been staying drunk, and their company was not a source of pleasure to Pendleton.

## New Pastor Arrives.

Rev. E. G. Wines, of Ann Arbor Falls, successor to Rev. A. D. Lange, pastor of the Lutheran church, has arrived in Pendleton and will occupy the pulpit at the services tomorrow at 2 p. m. in the Christian church. Rev. Wines, a graduate of the Wartburg Theological Seminary at Duquesne, Iowa, and a member of the Iowa Synod, has been serving as missionary in several churches in the vicinity of American Falls for the past seven years. Rev. Wines' installation as pastor will take place at the church near Myrick tomorrow morning. Rev. Blasberg, local pastor for the past five years and in the ministry for 40 years, will visit in the Eastern states, following his resignation, his parishioners gave him a farewell surprise.

## Mrs. Edna Sturdivant, Mr. and Mrs. Ernest Estep and Mrs. Lou Harpster.

Mrs. Harpster, who is a sister of Mrs. Matlock, is coming to Pendleton from San Francisco and will open an up-stairs millinery shop.

## How They Would Scrap 'Em

If battleships are scrapped under the Hughes proposal, this is how it will be done. The U. S. S. Arkansas is partially dismantled while being overhauled at the Philadelphia navy yard. To scrap the ship the dismantling process would be continued and some of the material salvaged for other use.

## HOW WOMEN OF MIDDLE AGE

May Escape the Dreaded Sufferings of that Period by Taking Mrs. Block's Advice

Hopkins, Minn.—"During Change of Life I had hot flashes and suffered for two years. I saw Lydia E. Pinkham's Vegetable Compound advertised in the paper and got good results from taking it. I recommend your medicine to my friends and you may publish this fact as a testimonial."—Mrs. Robert Block, Box 542, Hopkins, Minn.

It has been said that not one woman in a thousand passes this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, sinking spells, spots before the eyes, dizzy spells, nervousness, are only a few of the symptoms. Every woman at this age should profit by Mrs. Block's experience and try Lydia E. Pinkham's Vegetable Compound.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health. You will receive a free booklet, read and answered and held in strict confidence.
