## CALUMET BAKING POWDER

### SAVES THREE WAYS

—A moderate priced Baking Powder of greatest merit. Honestly made. Honestly sold. Economical in every way. Every particle is full of actual leavening value. A full money's worth

—You save time when you use it. Calumet is all baking powder. It begins to raise bakings the instant they are put into the oven. You don't have to keep "peeping" to see if bakings are all right. You know they are. Calumet is *sure*—never fails. That's economy. And true economy—in cost—in use—in time.

One trial will prove it and show you in results why millions of shrewd, thrifty housewives prefer Calumet to all other brands.

—The unflinching strength of Calumet guarantees perfect results. Not only saves flour—sugar—eggs, etc.—but saves Baking Powder. You use only a teaspoonful—you use two teaspoonfuls or more of many other brands.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

Highest Quality  
Highest Awards

**HAVE YOU NOTICED THIS?**

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.
