During the course of which every department in this store will contribute its quota of Greatly Underpiced Items.

The time has come again when every remaining articlof winter goods must go. Progressive merchandising methods demand it—our policy insists upon it. It's alearance sale that combines a true business principle and well defined purpose, namely that every six months abrough store-wide cleaning must take effect to assure the starting of the new season with new stocks. Therere, you can expect to receive values whose unusualness admits of no discussion. The need to clear is urgentand remember, there remain many months of wearand use in every article involved in this clearance.
