### PENDLETON HIGH IS TWICE VICTORS OVER LA GRANDE PLAYERS

Boys Team Administers 48 to 12 Defeat; Girls Score 40 to Opponent's 30.

Pendleton High School Basketball teams kept their slate clean last Saturday night by defeating La Grande in two fast games. The girls finished their season without a defeat and are now the undisputed holders of the Eastern Oregon girls championship. They defeated the girls from La Grande 40 to 30. The boys duplicated their performance of the previous night and sent the visitors home with the short end of a 48 to 12 score.

Every man on the local team entered into the scoring that spelled victory for P. H. S. Nelson was high point man of the contest with 19 points. Lawrence came a close second with 16 points. Cahill scored 5 points while Holmstrin and Kramer each added 4 to their team score.

Lynch was easily the star of the visitor's team. He scored 10 of his team's points, throwing two field baskets and converting 6 out of 13 tries at free throw. Smith threw the other field basket for La Grande.

The score at half time was 12 to 2. La Grande didn't score a field basket in the initial period. The first half was featured by many personal fouls being called on both sides, but the second period was almost entirely free from penalties. Better teamwork and basketballing of Dick Hanley's men in the second half is responsible for the large score.

Miss Barthel, 13 years old freshman at Pendleton high school was high point maker in the girls game, scoring 23 points. This was the first game in which Miss Barthel had played. Jane Cheney the other forward played excellent ball scoring 17 points.

The teamwork and speed displayed by the local team shows the splendid coaching they received from Miss Eva Hansen. At no time during the game did the visitors display the skill or speed of the local girls. In a previous game played at La Grande the Pendleton girls won by a score of 31 to 22.

### PORTLAND FORTUNATE IN GETTING THORPE

SEATTLE, Wash., Feb. 27.—(A. P.)—Portland baseball fans are pleased because that city's Pacific Coast League club has purchased Jim Thorpe, the great Indian all-around athlete and 360 hitter, according to William H. Klepper, president of the Oregon city organization.

"We are preparing to put up extra braces on the fences this year in view of the coming of Thorpe," Klepper said here recently. "We believe in preparedness and I'm telling you that a lot of other clubs in the league had better do the same thing as a matter of economy."

INDOOR RELAY PLANNED. CORVALLIS, Ore., Feb. 27.—(A. P.)—An indoor relay meet is to be established as an annual affair here next March by the Oregon Agricultural College. Each April the University of Oregon at Eugene is to hold an outdoor relay carnival.

### COUGAR TRACK TEAM WILL HAVE MANY NEW MEMBERS ON SQUAD

Promising Material From the Freshman Team Last Year Expected to Bolster Team.

PULLMAN, Wash., Feb. 27.—New men, yet undeveloped, probably will be in the majority on the Washington State College track team here this year as there are few stars from the 1921 team back for work.

Track work started recently at the call of Assistant Coach Eldon Jenne, a star of the Cougar team for three years. The men are working out in an indoor training shed. More than 30 are on the squad.

Men from last year's varsity squad who are turning out are: Davis and Hermans, sprinters; Maurer, quarter miler; Michel and Cole, half milers; Rowley and Washburn, two milers; Loomis and Fox, hurdlers; Roberts, high jumper; and Hamilton and Love on the weights.

The freshman team of last year has some promising material which is being counted on to build up the varsity. Hopkins, Al Davis, Scheyer and Starcher should develop into a good two-mile men; Sprague and McLeod are good candidates in the distances. Ibrig is fair at hurdles and Throw looks promising as a high jumper. Hickey and "Truck" Davis will strengthen the weight event material.

### BAUM LEADS IN PERFECT SCORES MADE BY SHOTS

Eighteen scatter gun artists turned out yesterday to compete in the Spokesman-Review and the American trapshooting registered club shoots. Sol Baum won the A. T. A. trophy with a score of 50 straight targets without a miss. In the Spokesman-Review telegraphic tournament a perfect score was turned in. Those going straight were Sol Baum 25, Guy B. Wyrlick 25, Omer Stephens of Athena 25, total 75. Other excellent scores were made. Following are the individual scores, the first 25 counting in the telegraphic shoot, the total 50 counting in the A. T. A. registered club shoot:

SMALL TURNOUT AT IDAHO MOSCOW, Idaho, Feb. 27.—(A. P.)—Only sixteen freshmen turned out for early track work at the University of Idaho here recently, and, as a result, the coaches have appealed to the class spirit of the men, asking them to get out in pairs. The freshmen have four meets scheduled.

### Kaiser's "Crush"

This photo of Baroness Gabrielle Von Ruchow was taken recently at the request of Ex-Kaiser Wilhelm. It is reported in European courts that he had proposed marriage to the baroness, but these reports have been denied by members of his family.

### FOUR ENGLISH BATTLEERS TO DEFEND THEIR TITLES

LONDON, Feb. 27.—(A. P.)—With four home champions expected to uphold their titles during the coming two months, and the prospect of seeing Carpentier again in a London ring, English enthusiasts are following the boxing game closely.

George Cook recently defeated by Carpentier returns to the ring on March 27, meeting Joe Beckett, the English champion, in a match labelled the British empire heavyweight championship. It is expected that this same bill will include a bout between Joe Fox, the holder of the featherweight belt, and the Belgian, Arthur Wyns, which has been postponed from this month because the former fell a victim to the influenza epidemic. Wyns has already beaten one English featherweight champion, Mike Honeyman.

Boy McCormick, who lost last November to Ted "Kid" Lewis, the middleweight holder well-known in America, will meet Jack Bloomfield two weeks later to decide future possession of the light heavy-weight belt, held by McCormick.

Lewis is also recovering from an attack of the "flu" and is expected to be in perfect condition for his match with Carpentier which, according to present arrangements, will be held here about the middle of April.

### MOVIES

ARCADIE SUNDAY AND MONDAY

You'd think that sailors would know enough not to "rock the boat," wouldn't you?

But they do! Look at the fact that a camera has to be held still, according to Bebe Daniels, charming star of "A Game Chicken" a Realart Picture production which opens Sunday for a run of two days at the Arcade theatre.

Miss Daniels and her company were on a tiny tug shooting some "atmosphere" scenes of a big schooner off San Pedro, Cal., where the Pacific fleet has its home. When word got about the navy that Bebe Daniels was on the little boat, there was a continual procession of launches and powerboats past the tug, with cops and officers eager to catch a sight of the brilliant and captivating young star.

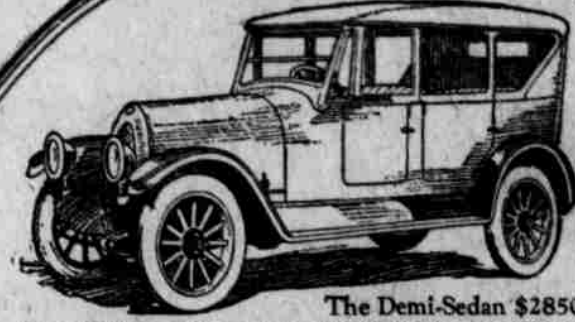

The waves from their propellers rocked the tug so that cameraman George O'Brien couldn't keep even as big an object as the schooner within the scope of his lens. Finally, in desperation and in order to get any work done, the director was compelled to send Bebe below—when the aquatic parade promptly disbanded.

RIVOLI SUNDAY AND MONDAY

"Stirring melodrama with all of the spectacular features and none of the crudities of this popular style of entertainment" is the classification that the motion picture officials have given to the new Rex Beach production of his great Alaskan railroad story, "The Iron Trail," which will be the feature at the Rivoli Theatre, beginning Sunday.

The new Beach production, was made under the watchful eye of the famous author himself. Every location was approved by him as being faithful to the Alaskan country in

The Franklin Standard of Demonstration

## FRANKLIN SIX

TAKE the wheel yourself in this demonstration for any kind of a cross-examination you wish to make of the car on the following points:

How does it compete as a road car with anything you know?

And for easy handling has it any equal?

How do flexibility and light weight affect comfort as well as economy?

What about the simplicity of air cooling in all seasons compared with water cooling's complications and troubles?

Those are practical questions and important ones to many people. Leaving the answers entirely to the car is proving popular and profitable.

### PARTS PRICES REDUCED

Franklin cuts motoring upkeep costs still further. Price reductions on parts range from 10% to 40%. Effective at once.
