What is said to be the largest single individual shipment of dry goods ever received at one time in Pendleton has been received by the Peoples Warehouse. Several big drayloads of the goods were unloaded at the store today. "Just a definite way of letting people know that we expect spring and summer business to be bigger and better than any spring or summer we have ever had," Fred Earl of the firm said this morning.

WOMAN COULD NOT WORK

Made Strong and Well by Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I took Lydia E. Pinkham's Vegetable Compound for a tired, worn-out feeling and painful periods. I used to get up with a pain in my head and pains in my lower parts and back. Often I was not able to do my work. I read in your little book about Lydia E. Pinkham's Vegetable Compound and I have taken it. I feel so well and strong and can do every bit of my work and not a pain in my back now. I recommend your medicine and you can use this letter as a testimonial."—Mrs. PHIL. MASER, 801 Winalow St., St. Paul, Minn.

Just another case where a woman found relief by taking Lydia E. Pinkham's Vegetable Compound. Many times these tired, worn-out feelings and pains about the body are from troubles only women have. The Vegetable Compound is especially adapted for just this condition. The good results are noted by the disagreeable symptoms passing away—one after another.
Lydia E. Pinkham's Vegetable Compound is a Woman's Medicine for Women's Ailments. Always reliable.

Real Satisfaction

There is a lot in life if one is satisfied. The old world looks just a little brighter and it is not quite so hard to smile in the morning if on your purchases of the day you get real satisfaction. When you pay cash you not only please yourself but you also please the cash merchant for he knows you have enlisted yourself with him in his effort to push the price of the necessities of life down to where they belong. When you have the money, use it as a power to pound the prices. It will work.
