

SUITS

---that appeal
in style and value

YOUNG men who buy suits nowadays want to be sure of two important things—correct style—correct value. We don't know which to place the most importance on, so we give both a maximum emphasis.

You'll find that true here, now. All the style that edicts permits and the latitude is great. All the value that very powerful manufacturing connections have developed for us.

Young man's style is expressed here in very smart sport models and semi-conservative, close-fitting effects. Very likable are the new patterns in tartan checks, subdued overplaids and sedate stripes. A very favorable group at
